Principles and Practice of Sport Management with Navigate Advantage Access Lisa Pike Masteralexis, 2023-06-15

Principles and Practice of Sport Management provides students with the foundation they need to prepare for a variety of sport management careers. Intended for use in introductory sport management courses at the undergraduate level, the focus of this text is to provide an overview of the sport industry and cover basic fundamental knowledge and skill sets of the sport manager as well as to provide information on sport industry segments for potential employment and career opportunities.

The Negotiation Edge Michael Saksa, 2024-02-22 The Negotiation Edge is a two-part book that will make you a better negotiator. The first half is a negotiating tutorial complete with checklists and worksheets. It details on how to engage, prepare, select a leader, build a support team, identify roles, set communication guidelines, instruct meeting behavior, read the other side, and determine the best strategies. The second half of the book is the author's twenty-five best and worst negotiating experiences with his insightful lessons learned with Walmart, Amazon, Target, NFL, NBA, NHL, PBS, National Geographic, BBC, Netflix, Warner Bros, Disney, Universal, Fox, Paramount, Sony, Lionsgate, Tiger Woods, Oprah Winfrey, and Martha Stewart. *The New York Times Index*, 2005 *Hockey* Michael L. LaBlanc, 1994 Chronicles the evolution of four major U.S. spectator sports: baseball, basketball, football, and hockey.

The Toronto Maple Leaf Hockey Club Kevin Shea, Jason Wilson, 2016-10-18 Published in partnership with the Toronto Maple Leafs and officially licensed by the NHL, this is the one and only official Toronto Maple Leafs Centennial publication. The Toronto Maple Leafs are one of the most storied franchises in all of sport and without question the most recognized team in all of hockey. Through this journey of a hundred years of Maple Leaf hockey, fans will read of ups and downs, triumphs and tears, laughter and laments. This publication tells the Leafs' complete history and introduces fans to coaches as well as such legends as Apps and Armstrong, Kennedy and Keon Broda, and Bower, Salming, and Sundin, but also players who wore the Blue and White and left far more modest legacies. It takes fans to Toronto's first game, the construction of Maple Leaf Gardens, and subsequent move to the Air Canada Centre. It celebrates Toronto's Stanley Cups and Hall of Fame players and demonstrates that through each exciting season, the Toronto Maple Leafs have forever remained our team and enjoyed the incredibly loyal support of a nation of fans. Published in complete partnership with the Toronto Maple Leafs and scheduled to release as the Leafs enter their 100th season, this official centennial publication includes contributions from many of the biggest names in Leaf history. Author Kevin Shea gained unprecedented access to players past and present as well as team executives to offer this book the most compelling, informed, and accurate portrayal of Toronto's historic hockey team and their important place in both the world of hockey and the culture of Canada. Combined with incredible archival photographs and a truly incredible design, this is the definitive and must-have book for fans of the Blue and White. **The Hockey News ... Yearbook**, 1998
