**Crown of Union and Duty** Laura Greenwood, The duty of any princess is to do what she's told, but when Agnes is assigned a new bodyguard, all of that goes out of the window. The last person Agnes ever expected to be employed as her sworn shield is the man she left behind when she was forced to become a vampire, but now he's not only in her life but always there, reminding her of what they once shared. And what they can no longer have. Hector never thought he'd see Agnes again, and now fate has brought them back together, he's not sure he's going to be able to let her go, even if he knows he should. With the King determined to find a political match for Agnes, time is ticking, and the two of them have to decide what's more important to them: love or duty. *Crown of Union and Duty* is a standalone connected to the *House of Blood and Roses* series. It is a steamy vampire romantasy featuring a forbidden second chance, m/f romance, vampires, and vampire royalty.

Download a FREE sneak peek today. Join Kiela, the librarian, and her assistant Caz, the sentient spider plant, as they navigate the low-stakes market of illegal spellmaking and the high-risk business of starting over. Sarah Beth Durst is the hidden gem of the fantasy world. Book Riot: Kiela has always had trouble dealing with people. Thankfully, as librarian at the Great Library of Alyssium, she hasn't had to. She and her assistant Caz, a magically sentient spider plant, have spent the last eleven years sequestered among the empire's most precious spellbooks, preserving their magic for the city's elite. But when a revolution begins and the library goes up in flames, she and Caz save as many books as they can carry and flee to a faraway island. Kiela was sure she'd never return to her childhood home. Kiela hopes to lay low in the overgrown and rundown cottage her late parents left her and figure out a way to survive without drawing the attention of either the empire or the revolutionaries. Much to her dismay, in addition to a nosy and very handsome neighbor, she finds the town neglected and in a state of disrepair. The empire, for all its magic and power, has been neglecting for years the people who depend on magical intervention to maintain healthy livestock and crops. Not only that, but the very magic that should be helping them has been creating destructive storms that have taken a toll on the island. Due to her past role at the library, Kiela feels partially responsible for this, and now she's determined to find a way to make things right by opening the island's first ever secret spellshop. Her plan comes with risks; the consequence of sharing magic with commoners is death. And as Kiela comes to make a place for herself among the kind and quirky townspeople of her former home, she realizes that in order to make a life for herself, she must learn to break down the walls she has built up so high. Like a Hallmark rom-com full of mythical creatures and fueled by cinnamon rolls and magic, Sarah Beth Durst's The Spellshop will heal your heart and feed your soul. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Falling For Aine** Laura Greenwood, A love goddess might know a lot about romance, but can she find it for herself?
