Ogg, 2015-05-25 As policy makers look first and easily for existing policy solutions which could be adapted from elsewhere policy transfer becomes increasingly central to policy development This book explores whether policy transfer in everyday policy making may be unintentionally creating a system of preventive justice **Business and Politics in Asia's Key Financial Centres** J. J. Woo, 2015-12-14 This book provides unique insights into the politics of finance and the socio political relations which drive financial policymaking in Hong kong Singapore and

Shanghai While the existing literature in the field focuses mainly on economic explanations for financial centre development this book fills a gap by focusing on the socio political relations which underpin the financial policy making process Drawing on extensive interviews with senior policy makers and financial sector professionals the book describes how state industry relations drive financial policy making in three major financial hubs Insights and policy recommendations drawn from these interviews will be particularly useful for policy makers and financial sector professionals hoping to draw lessons from the successful development of the three leading Asian financial centres Business and Politics in Asia s Key Financial Centres draws on public policy theoretical frameworks for its analytical basis The three chapters focusing on the historical development of Hong Kong Singapore and Shanghai also provide a consolidated narrative with regard to the development of these three cities as leading financial centres while also serving as independent case studies Scholars focusing on policy processes and political factors that underpin financial sector development as well as instructors and students of public policy international political economy and financial sector policy will find this book useful for their research

Navigating a Changing World Geoffrey Hale,Greg Anderson,2021-04-07 The negotiation of the Canada U S Free Trade agreement in 1985 88 initiated a period of substantially increased North American and later global economic integration However events since the election of Donald Trump in 2016 have created the potential for major policy shifts arising from NAFTA s renegotiation and continuing political uncertainties in the United States and with Canada s other major trading partners Navigating a Changing World draws together scholars from both countries to examine Canada U S policy relations the evolution of various processes for regulating market and human movements across national borders and the specific application of these dynamics to a cross section of policy fields with significant implications for Canadian public policy It explores the impact of territorial institutions and extra territorial forces institutional economic and technological among others on interactions across national borders both within North America and where relevant in broader economic relationships affecting the movement of goods services people and capital Above all Navigating a Changing World represents the first major study to address Canada s international policy relations within and beyond North America since the elections of Justin Trudeau in 2015 and Donald Trump in 2016 and the renegotiation of NAFTA

Designing Public Policies Michael Howlett,2023-12-22 The third edition of this highly regarded book provides a concise and accessible introduction to the principles and elements of policy design in contemporary governance It examines in detail the range of substantive and procedural policy instruments that together comprise the toolbox from which governments choose tools to resolve policy problems and the principles and practices that lead to their use Guiding readers through the study of the many different kinds of instruments used by governments in carrying out their tasks adapting to and altering their environments this book Considers the principles and practices behind the selection and use of specific types of Instruments in contemporary government and arrangements of policy tools esp procedural tools and policy portfolios Evaluates in detail the merits

demerits and rationales for the use of specific organization regulatory financial and information based tools and the trends visible in their use Examines key issues such as policy success and failure and the role of design in it policy volatility and risk management through policy design how behavioural research can contribute to better policy designs and the micro calibrations of policies and their importance in designs and outcomes Addresses the issues not only surrounding individual tools but also concerning the evolution and development of instrument mixes their relationship to policy styles and the challenges involved in their re design as well as the distinction between design and non design Providing a comprehensive overview of this essential component of modern governance and featuring helpful definitions of key concepts and further reading this book is essential reading for all students of public policy administration and management **International**

Regimes in China Gianluca Ferraro, 2013-07-24 According to the Food and Agriculture Organization FAO of the United Nations more than 80% of world s fish stocks are fully exploited over exploited depleted or recovering from depletion Although several international agreements have promoted more responsible fisheries coastal states have usually maintained national policies that enable higher harvest levels rather than greater conservation of fish stocks and international agreements for more responsible fisheries have generally experienced a weak domestic implementation Among the major coastal fishing states China constitutes the largest fish producer and main exporter in the world and therefore presents a fascinating case study for the domestic implementation of international fisheries agreements This book investigates the degree to which China has complied with the international agreements it has signed and asks why it is failing to meet expectations Crucially it calls for greater emphasis on the political rather than technical issues involved in the implementation of international regimes In turn it examines how understanding the case of China can help us to develop solutions for improved international compliance in the future Providing an improved understanding of the implementation of international regimes alongside an in depth study of China s political system policy making and compliance this book will be of great interest to students and scholars of Chinese studies international relations public policy and international law and environmental studies It will also be useful for policy makers working in the fields of environmental regulation and fisheries management

The Dynamics of Public Policy Adrian Kay, 2006 In The Dynamics of Public Policy Adrian Kay sets out the crucial methodological theoretical and empirical implications of two important trends in the social sciences a frequently expressed ambition for analysis of movies not stills and the regular observation that policy politics and governance is becoming more complex Beginning with a discussion of the centrality of temporality change and history to the social sciences he develops the provocative claim that existing models of the policy process are of limited value in understanding and explaining policy dynamics Instead the author argues that it is only through structured narratives that we can really understand and explain complex policy histories He sets out a methodology for structuring policy narratives and illustrates the claims of the book through four detailed case studies health policy and pharmaceutical regulation in the UK and

agricultural policy and budget policy in the EU Adrian Kay's book will appeal to academics in the fields of policy analysis public administration and public sector management as well as political science and political theory Journal of Public Policy ,2000

The Top Books of the Year Studying Public Policy Policy Cycles And Policy Subsystems The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Studying Public Policy Policy Cycles And Policy Subsystems : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Studying Public Policy Policy Cycles And Policy Subsystems : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
