Disruptive Fintech James Deitch, 2019-12-16 Throughout history, innovators have disrupted existing financial services norms to change the landscape of the marketplace. **Disruptive Fintech** briefly traces fractional reserves, the creation of bank currency that traded at a premium to bullion value, central bank regulation, securitization of assets and loans, the current state of digital currency and electronic payments. The author then looks toward the future of fintech and the forces of disruption that will change the landscape of financial life as we know it. Using over 100 interviews with thought-leading CEOs, this book develops a methodology to identify financial services that are

ripe for innovation and discusses how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models The book discusses How to relate historical innovations and disruptions in financial services to the current landscape How to follow a process to identify the threats facing incumbent processes and businesses and how innovative thinking can be used as a disruptive weapon to attack incumbents and create effective new fintech models How many fintech innovations will be constructed by re arranging or re purposing existing core processes In this insightful book author James Deitch CPA CMB argues that some of today s high flying fintech innovators will flourish but many may perish as the fire of innovation consumes those fintechs that are slow to monetize their promises [No Red Lights](#) Alan J. West,2022-08-09 Curing the causes and consequences of Trumpism It s no secret that the United States faces extraordinary political and societal challenges even as it recovers from the COVID 19 pandemic Political polarization and extremism are the most apparent symptoms resulting

from long term economic and social inequities as well as a toxic information ecosystem It is easy to blame Donald Trump for the sad state of American democracy After all he abused his executive authority spread false claims and even incited violence But Trumpism is almost certain to outlast Trump himself The grievances he exploited and the aggrieved to whom he appealed existed well before he became president and likely will endure after he is gone from the political scene The current political atmosphere is poisonous for those who operate on the basis of facts reason and logic It is time to step back from this dangerous precipice and reflect on the causes of the serious threats to American democracy procedural justice and a reason based society With polarization now entrenched and authoritarianism gaining strength no one should assume that facts somehow will triumph over falsehoods and reason will prevail over emotion Drawing on his personal experiences in the D C policy world Darrell West offers advice for protecting people organizations and the country as a whole from our contemporary challenges This book makes the risks to democracy understandable by explaining specific threats and offering concrete ideas for ameliorating them It will appeal to anyone interested in American politics democracy elections mass media technology and governance

Santa Monica Cassidy Lucas,2020-10-06 A debut novel in the vein of Liane Moriarty and Tom Perrotta about dark secrets brought to life after the mysterious death of a handsome and charismatic trainer to the elite women in Santa Monica On the western edge of Los Angeles is the gorgeous beachside city of Santa Monica where the sun kissed wealthy residents seem to inhabit real life California dreams When movie star handsome heartthrob fitness coach Zack Doheny is found dead on the floor of his gym the tragedy shocks the elite community especially

those who'd spent many hours each week exercising with the charismatic trainer. As the narrative flashes back to the months leading up to Zack's death, it quickly becomes clear that things in this coastal paradise are not as glittering as they seem. Lettie, Zack's secret half-sister and an undocumented housekeeper for the toned entitled women of Santa Monica, holds her brother responsible for a horrific family accident and desperately needs his money to prevent her deportation. Regina, the type A exercise addict and entrepreneur, will do anything to get out of debt and to claim Zack for herself. And Mel, a New York City transplant who finds herself forty pounds heavier and far more cynical than the lithe women of Santa Monica, discovers an electric attraction to Zack that threatens to disrupt his bond with Regina and upend Mel's own marriage. As these residents of Santa Monica begin to crack under the stress of their secrets, one question hangs above it all: what really happened to Zack Doheny? As addictively suspenseful as it is sharply observed, hilarious, and compassionate, *Santa Monica* is the rare novel that captures readers with propulsive storytelling alongside emotional urgency, irresistible characters, ambitious themes, and a vivid sense of place.
