It is the human element leading, motivating and inspiring, particularly during times of crisis, chaos and complexity, when directives, policy statements and communiques have little effect on cold, exhausted and stressed followers. Strong leadership encourages subordinates to go beyond the obligation to obey and commit to the mission in a way that maximizes their potential. *The Military Leadership Handbook* is a concise and complete manual that identifies, describes and explains all those concepts, components and ideas that deal with or directly relate to military leadership. The book is a comprehensive compendium that focuses on among other subjects, cohesion, command, cultural intelligence, discipline, fear and trust.
