**Shelagh: Mind Mistress - putting people back into diapers (Rubber Pants Version)** Terry Masters,2024-11-04 Mikey was an experienced hypnotist and figured he knew enough to be resistant to any other hypnotist s tricks and powers That was when he saw a show by Shelagh a woman whose stage shows had people from the audience reverting to babies wearing and wetting diapers and performing any action she wanted So he challenged her to a competition her powers versus his The problem was that he was secretly an adult baby and that could be a risk given that Shelagh liked hypnotizing her candidates into diapers This erotic hypnosis saga delves into the world of hypnosis female domination and of course the amazing world of adult babies and the power of diapers and more **Who Wants To Be A Baby... Pathen,2020-09-08 It is arguably the most common theme in ABDL fiction becoming a baby again perhaps forever and perhaps completely so For many Adult Babies the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention For the vast majority of adult babies the expression of our inner infant is complicated by endless compromises and limits on what we can actually do Our partners limit us Our finances limit us Social acceptance and the lack thereof limits us Friends employment family and other issues limit us But fiction can overcome all of these In fiction we can bend the rules of probability break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish In these three books you will read of adults that become complete babies once more If they are not originally completely willing to become babies again they quickly discover the joys the peace and comfort of diapers baby clothes bottle feeds and baby toys Infancy is entrancing to almost everyone but for those special people adult babies infancy is only a diaper change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book Enjoy your stay in the world of refreshing infancy NOTE These are the Diaper Versions of the original nappy books Mummy I want to be a baby again There are five volumes in this series      **The Sam McCue Collection** Sam McCue,2022-02-18 As a boy Sammy McCue had long been fascinated by diapers and baby things When Sam first borrowed a diaper at age 4 his indulgent mother noticed her son s odd attachment When Sam had an accident in grade school his Mom diapered him overnight to protect his bed Little did parent or child know where that incident would lead them Months later Sam s Mom hired a college student nanny to help out over the holidays and Sam and his Nanny Sanny quickly became inseparable Sam and Sandy s burgeoning relationship spans decades and continents Their haunting love story is one you ll remember long after you ve finished these books Both storylines are filled with detail and accuracy borne of real life events and characters Sam McCue is a pseudonym used by a New York Times bestselling author who is a lifelong infantilist The Candy Strippers chronicles 15 years of Sam s life from 1973 to 1988 The sequel The Nannies covers the next dozen years and the evolution of Sam s adult baby lifestyle as he journeys into the literary world and the political arena Baby Governor follows the years of Sam s foray into high political office These books are the ultimate full length adult baby romance novels and testaments to the resilience of the human spirit      **Men in Love** Nancy Friday,1980 An extraordinary explicitly masculine journey Men In Love develops a startlingly honest portrayal of what it means to be a man in contemporary America Here are the unexpurgated dreams fantasies and fetishes that excite and obsess men today In creating this historic study Nancy Friday listened without disapproval apology or censorship to the candid responses of thousands of men aged fourteen through sixty She gave them a legitimate arena where they could share their secret gardens the hidden and forbidden but nonetheless real and true Much more than a litany of erotica this unique volume doesn t tell us how men should love It tells us how men do love a stunning insight into the desires that dwell within men s psyches and their hearts      **Nursing Times, Nursing Mirror** ,1987      **Nursing Times** ,1987-07      **Records &**
