Women Poets Of Japan:

Women Poets of Japan Kenneth Rexroth, 1982 From early as the seventh century up to the present day no other has had so many important women poets as Japan **Japanese Women Poets: An Anthology** Hiroaki Sato, 2014-12-18 Throughout history Japanese women have excelled in poetry from the folk songs of the Kojiki Record of Ancient Matters compiled in 712 and the court poetry of the 9th to the 14th centuries on through the age of haikai and kanshi to the 19th century into the contemporary period when books of women's poems have created a sensation This anthology presents examples of the work of more than 100 Japanese women poets arranged chronologically and of all the major verse forms choka tanka haikai haiku kanshi verse written in Chinese and free verse The poems describe not just seasonal changes and the vagaries of love which form the thematic core of traditional Japanese poetry but also the devastations of war childbirth conflicts between child rearing and work experiences as refugees experiences as non Japanese residents in Japan and more Sections of poetry open with headnotes and the editor has provided explanations of terms and references for those unfamiliar with the Japanese language Other useful tools include a glossary of poetic terms a chronology and a bibliography that points the reader toward other works by and about these poets There is no comparable collection available in English Students and anyone who appreciates poetry and Japanese culture will treasure this magnificent anthology Editor and translator Hiroaki Sato is a past winner of the PEN America translator prize and the Japan United States Friendship Commission's 1999 literary translation award Poet to Poet Rina Kikuchi, Jen Crawford, 2017-09 Ten contemporary women poets from Japan translated by a group of poets and translators The aim of this project has been to translate or transform poems originally written in Japanese into poems that live and breathe as poems in English Poetry from ARAI TAKAKO ISHIKAWA ITSUKO ITO HIROMI HIRATA TOSHIKO KAWAGUCHI HARUMI KONO SATOKO MISAKI TAKAKO MISUMI MIZUKI NAKAMURA SACHIKO YAMASAKI KAYOKO **Women Poets of Japan** Kenneth Rexroth, 1977 The Burning Heart Kenneth Rexroth, 1977 **Far Beyond the Field** Makoto Ueda, 2003 Far Beyond the Field is a first of its kind anthology of haiku by Japanese women collecting translations of four hundred haiku written by twenty poets from the seventeenth century to the present By arranging the poems chronologically Makoto Ueda has created an overview of the way in which this enigmatic seventeen syllable form has been used and experimented with during different eras At the same time the reader is admitted to the often marginalized world of female experience in Japan revealing voices every bit as rich and colorful and perhaps even more lyrical and erotic than those found in male haiku Listen for instance to Chiyojo who worked in what has been long thought of as the dark age of haiku during the eighteenth century but who composed exquisitely fine poems tracing the smallest workings of nature Or Katsuro Nobuko who wrote powerfully erotic poems when she was widowed after only two years of marriage And here too is a voice from today Mayuzumi Madoka whose meditations on romantic love represent a fresh new approach to haiku **Women Writers of Meiji and Taisho Japan** Yukiko Tanaka, 2000-09-15 After centuries of repression

of the female voice in literature the Meiji 1868 1912 and Taisho 1912 1926 periods in Japanese history saw important changes in both the way women wrote and the way they were read However even the most accepted female writers of these two eras were judged by criteria different from those applied to men and only the most conservative were praised by the male critics This study of the women who wrote in the modern era examines both famous and now obscure writers within the context of their moments in time and their influence on later generations of Japanese women writers Arranged chronologically the book covers the pioneering women of the early Meiji period the ethos of reactionary conservatism the romantic movement in poetry women writers of the naturalist school Taisho liberalism and the new era of literary women An introduction outlines the various schools of Japanese female writers during the late nineteenth and early twentieth centuries as well as the social and cultural trends that helped produce them The text is appropriate for both well read scholars of Japanese literature and newcomers to the works of the fair ladies of the back chamber as these creative and driven writers were once called

White Lotus 1885 1967 and Takeko Kuj 1887 1928 selected and translated into English by Glenn Hughes and Yazan T Iwasaki New edition designed and edited by Dick Whyte The heart of a woman of thirty Is a measure of fire Having neither shade nor smoke Nor sound It is a round sacred sun In the sky at evening Silently Penetratingly It burns burns Dance Garments Akiko Yosano Yosano Yanagiwara Free verse poems as brief as possible not too musical nor yet too prosaic seem best to convey to Western ears the sense and effect of the original With the redness of the setting sun I flame Thinking of you Heaven and earth Cloud and water Life and death There is neither end nor beginning That is all I feel sure of 2 tanka Akiko Yanagiwara It is possible Hughes and Iwasaki were also influenced by Takuboku Ishikawa a well known Japanese tanka poet who adopted a 3 line approach to waka in the early 1900s and Yone Noguchi and Jun Fujita who pioneered 4 line English language tanka in the mid 1910s and early 1920s I am wrapped in silk The color of flame But my body my bosom Is cold Spring night Silence The rustle of my dress Falling to the floor Silence 2 tanka Takeko Kuj Public Domain Press is dedicated to producing new editions of out of print poetry particularly with regard to compressed fragmented free verse from the late 1800s early 1900s All poems start as facsimiles to preserve original fonts which are cleaned up edited and spaciouly laid out adorned with illustrations and ornaments from the books and magazines they originally appeared in These are not simply reprints of previously existing books but newly crafted collections lovingly edited from public domain material for the serious poetry lover

Other Side River Leza Lowitz, Miyuki Aoyama, 2001-12-01 Japanese poets have been writing tanka and haiku for hundreds of years Japanese free verse however is barely a century old and women s free verse in Japan is younger still This collection introduces the work of some 3 dozen of Japan s finest women poets who specialize in free verse Working in a relatively new and Western form these poets are able to explore subjects and styles with greater depth and freedom than Japan s traditional short poetic forms might allow Yet their sensibility remains Japanese literary allusion and seasonal references abound And there is something new a political and social awareness of being female in Japan s male centered society

Translations of Women Naoko Fujimoto, 2026-06 In this collection I translate Japanese waka poems from the 7th century to the 12th century I ve selected twenty female poets from this period when Japanese women s literature flourished Famous writers from the era include Sei Sh nagon The Pillow Book and Murasaki Shikibu The Tale of Genji I ve introduced some lesser known female poets to this collection as well Many Japanese female writers names were not documented even though they actively supported politics and their partners back then They were commonly referred to as Someone s Mother or Someone s Daughter The Japanese belonging particle of is common to describe the female s name Waka compacts much information in a short form words with double meanings unfamiliar phrases habits foreign to non Japanese speakers and hidden historical backgrounds so it would be hard to understand these authors full intent by simply reading direct translations Therefore my project has several approaches to capture the original sensory images Naoko Fujimoto

Japanese Women Writers Chieko Mulhern, 1994-10-10

Women have made many important contributions to Japanese literature since the Heian period 794-1192 when Murasaki Shikibu wrote her prose masterpiece *The Tale of Genji*. Even earlier though, documentation is scant, women actively participated in Japanese letters as poets. This reference is a guide to the work of Japanese women writers from centuries ago to the present day. The volume includes 58 alphabetically arranged biographical and critical profiles of these women. The book profiles women writers who are considered mainstream writers in Japan and who have attracted attention in the West chiefly through translations of their works and critical scholarship on their writings. Each entry discusses the subject's life, career, major works, and works in English translation. A bibliography concludes each article. While most of the women are poets, novelists, or authors of classical narrative fiction, the book also includes entries for premodern diarists, modern dramatists, television script writers, and movie scenario writers. An extensive bibliography and chronology conclude the volume.

The Poetry and Poetics of Ancient Japan Makoto Ōoka, 1997. It was the noblewomen of the Xth and XIth centuries who freed Japanese literature from the domination of formal Chinese writing to create a poetry shaped by spoken Japanese. Many centuries later it was again women, this time courtesans and prostitutes, who through popular song liberated a poetry more and more restricted by increasingly rarified conventions. In this remarkable book, the poet Ōoka Makoto, who is also in Donald Keene's words, a major critic, perhaps the finest in Japan today, opens the great library of poetry anthologies compiled by Imperial order. He also recreates in detail the social, political, and cultural realities surrounding the development of Japanese poetry from ancient until modern times.

Selected Poems of Shinkawa Kazue Kazue Shinkawa, 2021-07. *The Selected Poems of Kazue Shinkawa* covers the oeuvre of one of the greatest poets of modern Japan, covering a span of 60 years from her debut book *Nemuri isu* *The Sleeping Chair* published in 1953 to her latest collection *Bookend*. It contains about fifty poems from more than ten volumes, including such monumental work as *Please Do Not Bundle Me*, *Not a Metaphor*, *Odes to the Soil*, and poems for children. The introduction by Yasuhiro Yotsumoto follows the footsteps of Shinkawa's extraordinary journey as an iconoclastic woman poet trying to reconcile Western modernity with her Japanese literary heritage. All translations are new, done especially for this collection by the unique team of Takako Lento, a renowned translator dedicated to modern Japanese poetry, and Yasuhiro Yotsumoto, a leading contemporary Japanese poet. Kazue Shinkawa was born in 1929 in Ibaraki Prefecture, Japan. Since her first book of poetry *The Sleeping Chair* came out in 1953, more than 30 books of her poetry have been published, including many selected poems and two complete works. She has also published half a dozen books of poetry for children and compiled many anthologies. For the female poets in Japan, Kazue Shinkawa is an important mother figure, mainly thanks to her co-founding, together with Sachiko Yoshihara, the women's poetry magazine *La Mer*, which existed for ten years from 1983 to 1993, helping launch the careers of many younger female poets. With her poems appearing in a variety of media, ranging from weekly magazines to national newspapers, radio, and TV programs, to serious literature reviews, and many of her printed poems being made into songs and performed by chorus groups all over the

country Kazue Shinkawa is one of the most popular and respected poets in Japan today One of her readers Empress Emerita Michiko even translated two of Shinkawa's poems into English which was published in 2019 with a DVD containing her own reading of those poems *Beginner's Guide to Japanese Haiku* William Scott Wilson, 2023-03-28 An old pond a frog jumps in the sound of water Basho This comprehensive introduction to Japan's best loved haiku poets is the perfect book for anyone wanting to learn about haiku Compiled and with commentary by renowned author and translator William Scott Wilson the book features 26 poets and 550 haiku exquisitely translated Wilson takes the reader on a fascinating journey through the works of the major Japanese poets from the fifteenth century up to the present The poets include Basho Shiki Buson and Issa the Great Four along with other well known practitioners of the genre such as Ryokan Kikaku and Chora Wilson gives his own brand new renditions of poems that are already known as classics and also shares with us the delightful work of a number of poets who are rarely found in English translation such as six female poets including Chiyojo and Hisajo as well as novelist Natsume Soseki who unbeknown to many also wrote haiku The book is divided into sections each starting with a 2-4 page introduction to each poet followed by a selection of that poet's haiku in Japanese script and English translation Online audio files are available with recordings of the poems in both English and Japanese Four from Japan Kiri Minashita, Kyong-mi Park, Takako Arai, 2006 Poetry Translated from the Japanese by Sawako Nakayasu Ryoko Sekiguchi and Cole Swensen This revolutionary volume represents the first book of its kind a bilingual anthology dedicated to women working in modern and cross cultural poetry milieus Published collaboratively by Belladonna Books and Litmus Press in honor of the Festival of Contemporary Japanese Women Poets with support by NYSCA
