The Word of Love Stephen Elkins-Williams,2015-08-07 Stephen Elkins Williams had the extraordinary good fortune to preach in the same pulpit for 30 years and it was equally fortuitous for generations of parishioners at the Chapel of the Cross in the vibrant university community of Chapel Hill North Carolina Guiding his listeners through a thorough grasp of scripture as well as personal insight and lively storytelling his preaching also reflects a keen understanding of his place in the leadership lineage of a 170 year old parish Stephen made the Chapel of the Cross a trusted leader among churches in a caring giving and activist community and a source of inspiration comfort and teaching to young minds and hearts on a college campus In the words of a long time associate When Steve preaches I always learn something that changes my understanding of God and or the practice of faith Stephen joined the Society of Jesus while completing his studies toward degrees in philosophy and divinity and was ordained a Catholic priest in 1975 He soon realized that Gods purposes for his life were changing he left the Jesuits and was received as an Episcopal priest in 1982 He arrived in Chapel Hill that year as associate for parish ministry and was chosen rector three years later Here are more than 80 of his sermons that bring ancient liturgy thoroughly alive to a modern faith community

Augustine's Intellectual Conversion Brian Dobell,2009-11-05 This book examines Augustine s intellectual conversion from Platonism to Christianity as described at Confessions 7 9 13 21 27 It is widely assumed that this occurred in the summer of 386 shortly before Augustine s volitional conversion in the garden at Milan Brian Dobell argues however that Augustine s intellectual conversion did not occur until the mid 390s and develops this claim by comparing Confessions 7 9 13 21 27 with a number of important passages and themes from Augustine s early writings He thus invites the reader to consider anew the problem of Augustine s conversion in 386 was it to Platonism or Christianity His original and important study will be of interest to a wide range of readers in the history of philosophy and the history of theology
