## **Word Water And Spirit A Reformed Perspective On Baptism:**

*Word, Water, and Spirit* John V. Fesko, 2013-08-26 This book represents a substantial accomplishment one that provides a useful resource for those wanting to deepen their understanding of the sacraments particularly baptism Reflecting a massive amount of research against the background of an in depth survey of various views of baptism in church history Fesko provides an extensive exegetical and biblical theological study of the covenantal and eschatological significance of baptism followed by systematic theological reflections on key issues like baptism as a means of grace the efficacy of baptism the biblical warrant for infant baptism and against paedocommunion and the importance of baptism for the church One need not agree with his reflections at every point to benefit from his considerable labors Richard B Gaffin Jr Professor of Biblical and Systematic Theology Emeritus Westminster Theological Seminary

**Baptism and Communion for the Church and Her Children** RICHARD A. OSTELLA, 2025-09-20 The pages of this book seek to do justice to a most important work of Christian parents namely the diligent use of baptism and Communion as gospel signs in the presentation of their children to Christ either for nurture or through nurture unto confession of faith in Him as risen Lord Romans 10 9 10 An important matter that is treated here is the status of children growing up in the church from infancy Are they little Christians No Are they little pagans No The answer to the status question proposed in these pages is that they are sinners set apart by God in a special way in Christian homes with the promise of forgiveness of their sins by repentance and faith

**Reformation Theology** Matthew Barrett, 2017-03-16 Five hundred years ago the Reformers were defending doctrines such as justification by faith alone the authority of Scripture and God's grace in salvation some to the point of death Many of these same essential doctrines are still being challenged today and there has never been a more crucial time to hold fast to the enduring truth of Scripture In *Reformation Theology* Matthew Barrett has brought together a team of expert theologians and historians writing on key doctrines taught and defended by the Reformers centuries ago With contributions from Michael Horton Gerald Bray Michael Reeves Carl Trueman Robert Kolb and many others this volume stands as a manifesto for the church exhorting Christians to learn from our spiritual forebears and hold fast to sound doctrine rooted in the Bible and passed on from generation to generation

*One, Holy, Catholic, and Apostolic Church (We Believe)* Guy Prentiss Waters, 2025-08-06 One Holy Catholic and Apostolic Church provides a cohesive and comprehensive guide to understanding the nature and purpose of the church

*Covenant Theology* Guy Prentiss Waters, J. Nicholas Reid, John R. Muether, 2020-10-16 A Comprehensive Exploration of  
the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance  
of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also  
that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic  
and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is  
organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of  
covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and  
encouraged in their understanding of the joy of covenant life *Feasting on the Word* David L. Bartlett, Barbara Brown
