**Going Public** Julie Macfarlane,2020-09-14 It took Julie Macfarlane a lifetime to say the words out loud the words that finally broke the calm and traveled farther than she could have imagined In this clear eyed account she confronts her own silence and deeply rooted trauma to chart a remarkable course from sexual abuse victim to agent of change Going Public merges the worlds of personal and professional activism and scholarship Drawing upon decades of legal training Macfarlane decodes the well worn methods used by church school and state to silence survivors from first reporting to cross examination to non disclosure agreements At the same time she lays bare the isolation and exhaustion of going public in her own life as she takes her abuser to court challenges her colleagues and weathers a defamation Lawsuit The result is far more than a memoir It s a courageous and essential blueprint on how to go toe to toe with the powers behind institutional abuse and protectionism At long last Macfarlane s experiences bring her to the most important realization of her life that only she can stand in her own shoes and only she can stand up and speak about what happened to her

**The New Lawyer, Second Edition** Julie Macfarlane,2017-07-24 The New Lawyer analyzes the profound impact changes in client needs and demands are having on how law is practised Most legal clients are unwilling or unable to

pay for protracted litigation and count on their lawyers to pursue just and expedient resolution These clients are transforming the role of lawyers the nature of client service and the principles of legal practice In this fully revised edition of the now classic text Julie Macfarlane outlines how lawyers can meet new expectations by committing to lawyer client collaboration conflict resolution advocacy and revised financial structures so that the legal profession can remain relevant in this rapidly changing environment [Harvard Law Review: Volume 127, Number 8 - June 2014](#) Harvard Law

**Introduction to E-discovery** Ralph C. Losey,2009 No one can operate effectively in the court rooms of tomorrow without a good understanding of wheres hows and whys of digital evidence As a cover to cover read to learn more about the hot topics and latest case law in e discovery this book can provide that understanding After a read through this book can be used again and again as a reference with its appendix of useful reference materials to look up cases and arguments to use in daily practice It s written in an easy to read style making it perfect for anyone interested in e discovery Book jacket [The Trouble with Foreign Investor Protection](#) Gus Van Harten,2020-10-30 Governments are rightly discussing reform of investment treaties and of the incredibly powerful system of investor state dispute settlement ISDS upon which they rest At their core ISDS treaties are flawed because they very firmly

institute wealth based inequality under international law In this book Van Harten explores these claims in the light of the history of early ISDS treaties showing their ties to decolonization and at times extreme violence and authoritarianism Focusing on early ISDS lawsuits and rulings it is revealed how a small group of lawyers and arbitrators worked to create the legal foundations for massive growth of ISDS since 2000 ISDS based protections are examined in detail to demonstrate how they give exceptional advantages to the wealthy Various examples are also offered of how the protections have been used to reconfigure state decision making and shift sovereign minds in favour of foreign investors Lastly the ongoing efforts of governments to reform ISDS are surveyed with a call to go further or best of all to withdraw from the treaties This book is essential reading for anyone wanting to know more about the shady world of investment protection [Towards a New Generation of Investment Policies](#) United Nations Conference on Trade and Development,United Nations,2012

This annual report is widely regarded as the most authoritative source of data and analysis on the trends of foreign direct investment and developments in related national and international policy Every issue of the report comprises an analysis of the trends in foreign direct investment during the previous year with special emphasis on the development implications It also provides a ranking of the largest transnational corporations in the world in depth analysis of a specific topic related to foreign direct investment policy analysis and recommendations and a statistical annex with data on foreign direct investment flows and stocks for nearly 200 economies The 2012 edition presents a comprehensive investment policy framework for sustainable development covering both its national and international dimensions
