Sheafor, Charles R. Horejsi, 2006 0205446175 Sheafor Techniques and Guidelines for Social Work Practice 7e The latest edition of this classic book continues to provide students and practitioners of social work with a one of a kind resource designed to emphasize the different techniques needed for successful practice Carefully updated to provide social workers with easy access to the most current information on professional techniques and guidelines and organized to support a generalist practice perspective Techniques and Guidelines for Social Work Practice illustrates multiple ways in which both direct and indirect intervention activities are a

part of the social worker's repertoire. Touching upon everything from cultural competence to macro practice, the content of this text is so widely applicable it is an invaluable aid in making the transition to a professional career in social work and a staple of professional social work libraries. In a classroom, it is ideal for use in advanced practice capstone and field work courses. Parts I and II summarize the essential foundation elements of social work practice, while Parts III through V set out 157 clearly described techniques and guidelines that can be used by students and new practitioners. The latest edition includes many changes that make it just as essential as previous editions. Techniques deleted from prior editions due to space restrictions are now available at [www.ablongman.com/sheafor7e](http://www.ablongman.com/sheafor7e). New techniques include guidelines for assessing small group functioning, family group conferencing, and building mentoring relationships, as well as addressing client concerns related to spirituality and religion and serving the client or community experiencing an emergency or disaster. Following the lessons of 9/11, new content is included to prepare social workers to deal with a client or community emergency. Information is included on family group conferencing, a new approach based on the principles of restorative justice, about which social workers should be knowledgeable. New guidelines for using mentoring relationships, in which senior practitioners without direct administrative responsibilities support and nurture developing social workers, are included in this edition, along with new guidelines for assessing small group functioning as a means of strengthening subsequent intervention activities with groups. Chapter 14 now includes a straightforward description of techniques for conducting empirical direct practice evaluation, with current illustrations based on students' applications of the most commonly used evaluation tools.

**Social Work with Drug and Substance Misusers** Anthony Harvey Goodman, 2007. This student text covers all aspects of working with drug and substance misusers, including the history and changes in policy on substance misuse and the differences between working with young and adult clients. Recent government initiatives and legislative changes are carefully outlined, while discussions on why people take drugs, the policy implications of harm reduction and abstinence approaches to substance use misuse are related back to practice so that readers understand how to engage with the client group and the reasons for varying success across treatment approaches. *Resource Material Series*, 2017.

**Correctional Counseling & Treatment** Albert R. Roberts, 2008. Offering perspectives from twenty-one leading experts in the field, this book shows how to apply evidence-based counseling and treatment approaches to offender rehabilitation. Each chapter includes summaries of the latest government reports, treatment guidelines, evidence-based counseling practices, research findings, trends, and statistics, program evaluations, journal review articles, and meta-analyses. Discussion is on revitalizing the corrections profession with an emphasis on rehabilitation policies and programs based on scientific evidence and treatment technology transfer. Complete and up to date, the book's goal is to formalize ideas, raise issues, and document best practices from which effective programs can be replicated. Evidence-based approaches offer a variety of offender treatment and rehabilitation approaches that have demonstrated effectiveness. Perspectives from twenty-one contributors help guide readers through the

process and steps in counseling and treatment A look at best practices in individual and group counseling through the book's definitions and illustrations Findings from a national survey conducted by the book editor offer results from 25 different state departments of corrections and the correctional facilities under their jurisdiction The market for this up to date multi authored book will be college and university libraries state and county criminal justice as well as juvenile justice agencies and federal criminal justice agency libraries     *The Macmillan Guide to Correspondence Study* Modoc Press,1996
