and Work-Family Balance*

EDITED BY  
BERNIE D. JONES

# Women Who Opt Out The Debate Over Working Mothers And Work Family Balance

**Lynn O'Brien Hallstein,Andrea O'Reilly,Melinda Giles**

## **Women Who Opt Out The Debate Over Working Mothers And Work Family Balance:**

**Women who Opt Out** Bernie D. Jones,2012-04-02 In this book the authors ask whether the opting out assessment is an adequate explanation for women's decisions to leave the workforce. They also make an assessment of the race class and gender axes to determine women's workplace participation and the women who cannot afford to opt out or find it difficult to opt in. In the last part of this book the authors draw their conclusions and highlight an unexplored territory and point out topics for future research and policy. **Maternal Theory** Andrea O'Reilly,2021-07-08 Theory on mothers mothering and motherhood has emerged as a distinct body of knowledge within Motherhood Studies and Feminist Theory more generally. This collection The Second Edition of Maternal Theory Essential Readings introduces readers to this rich and diverse tradition of maternal theory. Composed of 60 chapters the 2nd edition includes two sections the first with the classic texts by Adrienne Rich Nancy Chodorow Sara Ruddick Alice Walker Barbara Katz Rothman bell hooks Sharon Hays Patricia Hill Collins Audre Lorde Daphne de Marneffe Judith Warner Patrice diQinzio Susan Maushart and many more. The second section includes thirty new chapters on vital and new topics including Trans Parenting Non Binary Parenting Queer Mothering Matricentric Feminism Normative Motherhood Maternal Subjectivity Maternal Narratology Maternal Ambivalence Maternal Regret Monstrous Mothers The Migrant Maternal Reproductive Justice Feminist Mothering Feminist Fathering Indigenous Mothering The Digital Maternal The Opt Out Revolution Black Motherhoods Motherlines The Motherhood Memoir Pandemic Mothering and many more. Maternal Theory is essential reading for anyone interested in motherhood as experience ideology and identity.

**The ^ARise of Neoliberal Feminism** Catherine Rottenberg,2018-08-01 The Rise of Neoliberal Feminism demonstrates how the notion of a happy work family balance has not only been incorporated into the popular imagination as a feminist ideal but also lies at the heart of a new variant of feminism one that has abandoned any commitment to equal rights or emancipation. This book underscores the ways in which neoliberal feminism forsakes the vast majority of women while facilitating new and intensified forms of racialized and class stratified gender exploitation. Given our frightening neoliberal reality the monumental challenge then is how we can successfully reorient and reclaim feminism as a social justice movement.

**The Routledge Companion to Motherhood** Lynn O'Brien Hallstein,Andrea O'Reilly,Melinda Giles,2019-11-04 Interdisciplinary and intersectional in emphasis the Routledge Companion to Motherhood brings together essays on current intellectual themes issues and debates while also creating a foundation for future scholarship and study as the field of Motherhood Studies continues to develop globally. This Routledge Companion is the first extensive collection on the wide ranging topics themes issues and debates that ground the intellectual work being done on motherhood. Global in scope and including a range of disciplinary perspectives including anthropology literature communication studies sociology women's and gender studies history and economics this volume introduces the foundational topics and ideas in motherhood delineates the diversity and complexity of mothering and also stimulates dialogue among scholars and students approaching from

divergent backgrounds and intellectual perspectives This will become a foundational text for academics in Women s and Gender Studies and interdisciplinary researchers interested in this important complex and rapidly growing topic Scholars of psychology sociology or public policy and activists in both university and workplace settings interested in motherhood and mothering will find it an invaluable guide **Women's Lives** Claire A. Etaugh, Judith S. Bridges, 2017-10-16 This cutting edge and comprehensive fourth edition of Women s Lives A Psychological Perspective integrates the most current research and social issues to explore the psychological diversity of girls and women varying in age ethnicity social class nationality sexual orientation and ableness Written in an engaging and accessible manner its use of vignettes quotes and numerous pedagogical tools effectively fosters students engagement active learning critical thinking and social activism New information covered includes neoliberal feminism standpoint theory mujerista psychology Chapter 1 LGBT individuals and individuals with disabilities in media Chapter 2 testosterone testing of female athletes precarious manhood Chapter 3 raising a gender non conforming child impact of social media on body image Chapter 4 gender differences in narcissism and Big Five personality traits women video game designers Chapter 5 asexuality transgender individuals sexual agency Viagra for women controversy Chapter 6 adoption of frozen embryos controversy Chapter 7 intensive mothering integrated motherhood living apart together same sex marriage Chapter 8 single sex schooling controversy Chapter 9 combat roles opened to U S women managerial derailment Chapter 10 work hours dilemmas of low wage workers Chapter 11 feminist health care model health care for transgender individuals Affordable Care Act Chapter 12 feminist critique of CDC guidelines on women and drinking Chapter 13 cyberharassment gendertrolling campus sexual assault Chapter 14 transnational feminism men and feminism Chapter 15 Women s Lives stands apart from other texts on the psychology of women because it embeds within each topical chapter a lifespan approach and robust coverage of the impact of social cultural and economic factors in shaping women s lives around the world It provides extensive information on women with disabilities middle aged and older women and women in transnational contexts Its up to date coverage reflects current scientific and social developments including over 200 new references This edition also adds several new boxed features for student engagement In The News boxes present current often controversial news items to get students thinking critically about real life applications of course topics Get Involved boxes encourage students to actively participate in the research process What You Can Do boxes give students applied activities to promote a more egalitarian society Learn About the Research boxes expose students to a variety of research methods and highlight the importance of diversity in research samples by including studies of underrepresented groups **Creating Sustainable Careers in Student Affairs** Margaret Sallee, 2023-07-03 This book argues that the current structure of student affairs work is not sustainable as it depends on the notion that employees are available to work non stop without any outside responsibilities that is the Ideal Worker Norm The field places inordinate burdens on staff to respond to the needs of students often at the expense of their own families and well being Student affairs professionals can

meet the needs of their students without being overworked. The problem however is that ideal worker norms pervade higher education and student affairs work thus providing little incentive for institutions to change. The authors in this book use ideal worker norms in conjunction with other theories to interrogate the impact on student affairs staff across functional areas institutional types career stage and identity groups. The book is divided into three sections chapters in the first section of the book examine various facets of the structure of work in student affairs including the impact of institutional type and different functional areas on employees work lives. Chapters in the second section examine the personal toll that working in student affairs can take including emotional labor's impact on well being. The final section of the book narrows the focus to explore how different identity groups including mothers fathers and people of color navigate work life issues. Challenging ideal worker norms all chapters offer implications for practice for both individuals and institutions.

### **Homeland Maternity**

Natalie Fixmer-Oraiz, 2019-03-02 In US security culture motherhood is a site of intense contestation both a powerful form of cultural currency and a target of unprecedented assault. Linked by an atmosphere of crisis and perceived vulnerability motherhood and nation have become intimately entwined dangerously positioning national security as reliant on the control of women's bodies. Drawing on feminist scholarship and critical studies of security culture Natalie Fixmer Oraiz explores homeland maternity by calling our attention to the ways that authorities see both non reproductive and overly reproductive women's bodies as threats to social norms and thus to security. Homeland maternity culture intensifies motherhood's requirements and works to discipline those who refuse to adhere. Analyzing the opt out revolution public debates over emergency contraception and other controversies Fixmer Oraiz compellingly demonstrates how policing maternal bodies serves the political function of securing the nation in a time of supposed danger with profound and troubling implications for women's lives and agency.

### **Feminist Collections ,2012      New Books on Women, Gender and Feminism ,2013**

**New Books on Women and Feminism ,2013      Women and Employment** Jacqueline L. Scott, Shirley Dex, Heather Joshi, 2008 How is women's employment shaped by family and domestic responsibilities? This book written by leading experts in the field examines twenty five years of change in women's employment and addresses the challenges facing women today. The authors offer an innovative analysis of how global changes including new migration processes educational expansion transnational labour markets technological advances and the global economy affect women's labour market experiences. They tackle issues relevant for future change including gender inequalities and ethnic diversities and confront contentious questions such as what is meant by work life balance. The book provides new empirical research that both advances our understanding of the challenges posed by women's employment in our changing society and draws out the policy lessons that could improve economic and social wellbeing. Providing dynamic analysis of employment family inter relationships Women and Employment will be of great relevance to social scientists and academics interested in employment and family as well as policymakers concerned with changing women's employment.

**Wall Street Journal** ,1998    **Symposium** ,2007    *Social Welfare* ,2012-04    **The War on Moms** Sharon  
Lerner,2010-03-25 A stinging account of how public policy and private businesses have failed to adapt to working mothers  
Jennifer Ludden NPR Why life is harder on American families than it's been in decades the book that takes the blame away  
from moms and puts it where it really belongs Pressed for time and money unable to find decent affordable daycare wracked  
with guilt at falling short of the mythic supermom ideal working and non working American mothers alike have it harder  
today than they have in decades and they are worse off than many of their peers around the world Why Because they're  
raising their kids in a family unfriendly nation that virtually sets them up to fail The War on Moms exposes the stress put on  
families by an outdated system still built around the idea that women can afford not to work It tells the truth that overworked  
stressed out American moms need to hear that they're not alone and they're not to blame Exposes a lack of reasonable and  
flexible work opportunities as the real cause of the supposed rift between employed and stay at home mothers Explodes the  
myths about supermoms slacker dads opt out moms bootstrap moms daycare options and make money from home scams  
Uncovers the widespread brutal reality of having no paid maternity leave Offers portraits of real women across social classes  
and across the country who are struggling with issues that will strike a familiar chord with most Americans Explains why  
American women have it hard and why it's not going to get any easier until the country dramatically changes course The War  
on Moms turns the mommy wars debate on its head by arguing that a mother's real enemy is not other women but a  
nationwide indifference to the cultural and economic realities facing parents and families in the United States today
