Women Sex And The Law Women Sex And The Law

Karen O'Connor

Women Sex And The Law Women Sex And The Law:

Women, Sex, and the Law Rosemarie Tong, 1984 Feminist scholars have long been concerned with how women and sexuality are perceived and treated by the American legal system. Feminists have put forth a variety of arguments seeking the causes and solutions to the class based and sex biased characteristics of the legal system that contribute to the victimization of women in contemporary society. No consensus within the women's movement has been achieved on a number of legal issues such as pornography or prostitution since approaches are often divided by political, economic, moral, or sexual ideology. *Women Sex and the Law* is a comprehensive survey and analysis of the legal and sexual issues important to women. Rosemarie Tong introduces the reader to the different feminist and legal perspectives on the causes and solutions for the problems of pornography, sexual harassment, prostitution, rape, and woman battering. Tong clearly and concisely details and assesses the legal theory and practice for each issue, describes and critiques the various feminist debates surrounding these concerns, and offers her own thoughtful proposals for ameliorating the discriminatory tendencies and improving the effectiveness of our present legal system.

Women, sex and the Law Rosemarie Tong, 1984 El libro representa una tentativa de comprender e interpretar las características comunes que rodean a la explotación y el crimen sexual, las aptitudes que complican las relaciones hombre-Mujer y la naturaleza y los límites de las leyes como instrumento de reforma concerniente a la mujer y su sexualidad.

Because of Sex Gillian Thomas, 2016-03-08 Thomas writes with precision and grace and a lovely lack of jargon about ten cases that established the full reach and scope of Title VII. The Boston Globe Best known as a monumental achievement of the civil rights movement, the 1964 Civil Rights Act also revolutionized the lives of America's working women. Title VII of the law made it illegal to discriminate because of sex. But that simple phrase didn't mean much until ordinary women began using the law to get justice on the job and some took their fights all the way to the Supreme Court. Among them were Ida Phillips, denied an assembly line job because she had a preschool age child; Kim Rawlinson, who fought to become a prison guard, a man's job; Mechelle Vinson, who brought a lawsuit for sexual abuse before sexual harassment even had a name; Ann Hopkins, denied partnership at a Big Eight accounting firm because the men in charge thought she needed a course at charm school; and most recently Peggy Young, UPS truck driver forced to take an unpaid leave while pregnant because she asked for a temporary reprieve from heavy lifting. These unsung heroines' victories and those of the other women profiled in Gillian Thomas' *Because of Sex* dismantled a *Mad Men* world where women could only hope to play supporting roles where sexual harassment was just the way things are and where pregnancy meant getting a pink slip. Through first person accounts and vivid narrative, *Because of Sex* tells the story of how one law, our highest court, and a few tenacious women changed the American workplace forever. Meticulously researched and rewarding to read, Thomas is a gifted storyteller. *The New York Times Book Review*

Classic Readings and Cases in the Philosophy of Law Susan Dimock, 2016-09-16 With over sixty cases as support, this text presents the philosophy of law as a perpetual series of debates.

with overlapping lines and cross connections Using law as a focus to bring into relief many social and political issues of pressing importance in contemporary society this book encourages readers to think critically and philosophically Classic Readings and Cases in the Philosophy of Law centers on five major questions What is law What if any connection must there be between law and morality When should law be used to restrict the liberty of individuals To what extent should democratic states permit civil disobedience What if anything justifies the infliction of punishment on those who violate the law The extensive anthology of cases covers the mundane to the grandest of constitutional issues including controversial topics like ownership of genetic material capital punishment and gay rights Brief introductions to each case describe the central issue being litigated the legal reasoning of the justices both majority and dissenting the decision of the court and its philosophical significance

Gender, Sex and the Law Susan Edwards, 2024-11-20 Originally published in 1985 *Gender Sex and the Law* explores the way in which the law at its various levels of jurisdiction justifies its discrimination against women in terms of the physiological differences between the sexes The book examines the wider and most pervasive consequences of this as it affects women in their legal status their rights obligations and duties and in their confrontation with the law Whilst it focuses principally on the contemporary implications of this legal perception in the sphere of crime work and medical practice there is also discussion of the historical development of these attitudes The book has appeal across subject boundaries it sets out what was bothering feminists lawyers and activists in the 1980s matters still bothering us today This book is a re issue originally published in 1985 The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication

Justice and Gender Deborah L. Rhode, 1989 This is the first book to provide a comprehensive investigation of gender and the law in the United States Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women's activities and attitudes toward these new developments She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change

Radical Critiques of the Law Stephen M. Griffin, Robert C. L. Moffat, 1997 The past two decades have seen an outpouring of work in legal theory that is self consciously critical of aspects of American law and the institutions of the liberal state In this lively volume eminent scholars in philosophy law and political science respond to this recent scholarship by exploring what constitutes a radical critique of the law examining such theories as critical legal studies feminist theory and theories of difference and critical race theory The authors consider whether the critiques advanced in

recent legal theory can truly be called radical and what form a radical critique of American law should take Writing at the cutting edge of the critique of critical legal theory they offer insights first on critical legal scholarship then on feminist political and legal theory A third group of contributions questions the radicalness of these approaches in light of their failure to challenge fundamental aspects of liberalism while a final section focuses on current issues of legal reform through critical views on criminal punishment including observations on rape and hate speech Each major essay describes the underlying principles in the development of a radical legal theory and addresses unresolved questions relating to it while accompanying commentaries present conflicting views The resulting dialogue explores wide ranging issues like equity value relativism adversarial and empathic legal advocacy communitarianism and the social contract impartiality and contingency natural law and corrective justice A common thread for many of the articles is a focus on the social dimension of society and law which finds the individualism of prevailing liberal theories too limiting *Radical Critiques of the Law* is particularly unique in presenting critical and feminist approaches in one volume along with skeptical commentary about just how radical some critiques really are Proposing alternative critiques that embody considerably greater promise of being truly radical it offers provocative reading for both philosophers and legal scholars by showing that many claims to radicalism are highly problematic at best

Women's Rights Law Reporter ,1977 **Laws and Practices Relating to Women's Inheritance Rights in Nigeria** Joy Ezeilo,2000 **Women's Position in the Laws of the Nations** International Council of Women,1912 A report representing the combined efforts of women around the world to report on women s legal status in other countries *Gender and Women's Leadership* Karen O'Connor,2010-08-18 These volumes provide an authoritative reference resource on leadership issues specific to women and gender with a focus on positive aspects and opportunities for leadership in various domains **Woman Under the Law** Alvah L. Women Sex And The Law Women Sex And The Law Introduction

In today's digital age, the availability of Women Sex And The Law Women Sex And The Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Women Sex And The Law Women Sex And The Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Women Sex And The Law Women Sex And The Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Women Sex And The Law Women Sex And The Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Women Sex And The Law Women Sex And The Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Women Sex And The Law Women Sex And The Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Women Sex And The Law Women Sex And The Law books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Women Sex And The Law Women Sex And The Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Women Sex And The Law Women Sex And The Law books and manuals for download and embark on your journey of knowledge?
