Women Who Become Men Antonia Young, 2000 Based on extensive interviews this text tells the frank and engrossing stories of these women setting their lives within the wider context of a country undergoing radical upheaval and social transformation

Gender Identity Cynthia L. Winfield, 2019-07-15 What does it mean to be male What does it mean to be female In contemporary culture such distinctions have increasingly been regarded as much too narrow to cover the entire spectrum of humanity Over the past few decades thousands of individuals have bravely declared their true identities and refused to be boxed into what society has dictated It has become increasingly important especially for those coming into adulthood to go beyond the concepts of gay lesbian straight and bisexual when examining gender In Gender Identity The Ultimate Teen Guide Cynthia L Winfield encourages readers to reject the notion that male or female designations fit all The author examines how gender lines have been crossed as a growing number of individuals including young adults have found the courage to express and celebrate their authentic selves In this book Winfield addresses Differences between biological sex sexual orientation gender identity and gender expression Legal protections for those outside the narrowly defined gender norms Public debate and shifting views about gender identity Ways readers can make society more cognizant and inclusive of gender variant individuals In addition to providing a well grounded introduction to lesbian gay bisexual transgender queer or questioning intersex and asexual persons and issues this book allows contemporary teens and young adults to voice their experiences As more and more public figures from actress Laverne Cox to Olympic athlete turned reality television star Caitlyn Jenner have shared their stories it's just as important for everyday people to identify who they are This second edition of Gender Identity The Ultimate Teen Guide is a much needed update of an important topic and will be of interest to young adults their families and friends and the community at large

Dressed in Time Margaret Maynard, 2022-12-01 Through object based case studies of garments from the ancient past through to the 21st century Margaret Maynard reveals the countless ways the temporal is woven into our attire From the physical effects of age on garments to their changing cultural significance time and fashion are inextricably linked Every garment has its own pace and narrative and every dress practice is rich with temporal associations wearing time in the form of wristwatches marking key moments in time from marriage to death defying time with beauty products preserving and reimagining time through vintage and concepts of timeless and classic styles This ground breaking book presents a complete rethinking of the study of global fashion history revealing the complex nature of changing fashion when viewed through the lens of time and challenging Eurocentric approaches such as the periodization of style and the arbitrary division of western and non western fashion Fashion in Time is essential reading for students and scholars of fashion and dress history material culture studies cultural anthropology archaeology and related fields

Gay Men's Style Shaun Cole, 2023-08-10 Through an astonishing series of interviews Gay Men's Style will take you on a dizzying journey through shops bars clubs gyms workplaces and global city streets Based on the lived experience of gay

men of all ages from the UK USA Europe Australia and Japan Shaun Cole calls for a more nuanced understanding of gay male dress and style Gay male identities in the 21st century are increasingly intersectional fluid and flexible from hyper masculinity and muscularity seen in clubs and on the pages of gay magazines to self knowing drag culture and androgynous gender play in the fashion industry Gay Men s Style explores these multiple identities and the ways in which gay men self identify and present themselves to the world through dress This analysis is set alongside seismic shifts in technology global communication and gay rights to redress and readdress the subject of gay men s style in a time of social and sexual upheaval
