Word and Spirit Together David Pawson, 2014-09-11 The author has a passionate desire to see Charismatics and Evangelicals united He has made a searching study of their remaining differences which he believes can be resolved without compromise This book is essential reading for every Christian with a vision for a church united in faithfulness to the Word and openness to the work of the Holy Spirit

Evangelical and African Pentecostal Unity Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle

Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland *Word and Power* places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today

Doctrine and Experience Christopher Charles Zito, 2016-06-30 Should evangelical spirituality be grounded in doctrine experience neither or both If in one which and why not the other If in both how might the two co exist without cancelling out each other's distinctives If in neither then what practical value does either have for the Christian life In this book the author has combined critical research pastoral awareness and thoughtful reflection to show how the radicalizations of doctrine and experience have not only polarized contemporary evangelicalism into two nearly irreconcilable camps but also has opened the door for a subtle but potent form of idolatry to creep into our midst In an attempt to purge these idols and bridge the gap this book contextualizes the biblical teachings and practices of our original spiritual instructors asking the double edged question of what it means for us today that the Word of God is normative and that the Spirit is Lord The author concludes that evangelicals should seek an incarnate

cross centered spirituality that is informed by meticulous attention and obedience to sound doctrine but only as it is lived out in a deeply felt faith that is made perfect as we experience God daily in any number of ways *Together in One Mission* Arto Hamalainen, Grant McClung, 2012-09-27 *Damage Control* Dean Merrill, 2006 The author of *The God Who Won't Let Go* encourages readers to embrace their roles as ambassadors for Christ's kingdom and provides help to those who want to show Jesus to a skeptical world **Charisma and Christian Life**, 1999 **Unique Evangelical Churches** James C. Hill, 1995 The volume now contains a new introductory article and new format to identify large denominational families to help readers find information more quickly **Religion in America** Julia Mitchell Corbett, Julia Corbett Hemeyer, 1999-07 For undergraduate courses in Religion in America Concise yet thorough this text introduces the vast variety of religious groups and activities both ecclesiastical and popular that make up the American religious picture today It presents the academic study of religion within the context of the humanities discussing religion in a spirit of mutual exploration and learning rather than in terms of what is right and wrong Coverage emphasizes the current state of today's religions paying particular attention to the religious diversity found in the United States Global Religious Movements in Regional Context John Wolffe, 2002 *Global Religious Movements in Regional Context* offers a wide ranging exploration of the adaptation and diversity of religious traditions in various geographical cultural and ethnic contexts within the contemporary world The book analyses the complexities of the relationships between religion and globalization and general trends and counter trends in secularization It argues that religions that go global cannot remain unchanged by their importation into new cultures and explores the creative tension between indigenization and a sense of global identity The chapters focus on Evangelical and Pentecostal Christianity in the UK the USA Latin America and Africa as well as the world wide spread of Islam and of the Japanese derived Buddhist movement the Soka Gakkai The five textbooks and Reader that make up the Religion Today Open University Ashgate series are o From Sacred Text to Internet o Religion and Social Transformations o Perspectives on Civil Religion o Global Religious Movements in Regional Context o Belief Beyond Boundaries o Religion Today A Reader A History of the Ecumenical Movement World Council of Churches, 2004 This volume presents the history of the ecumenical movement worldwide over the last three decades Leading theologians and ecumenists from a variety of traditions have come together to describe and analyze the movement's most recent developments Together with Volumes I and II this Volume now completes this major reference work the only official history of the ecumenical movement This is a key purchase for all

scholars church leaders clergy and students and it is an invaluable companion to Volumes I and II *Who are the Evangelicals?* Derek Tidball, 1994 Classical or pentecostal charismatic or reformed the spectrum of evangelical belief and practice today is infinitely varied Evangelicalism transcends national and denominational differences and enjoys considerable worldwide influence yet it is frequently taken less than seriously by religious commentators and is often known to the wider world only by caricature Evangelicals themselves sometimes have only a scanty knowledge of their historical and theological identity which frequently manifests itself in narrowness of vision and rigidity of judgement Only by understanding our past can we know ourselves today argues Derek Tidball and in this warm and enjoyable account he surveys the modern evangelical movement around the world tracing its historic and doctrinal roots in order to explain today's exciting diversity of expression Evangelicalism is portrayed as a dynamic faith not a static religion and this informed and wise guide is essential reading for all who are concerned to establish whether the many new trends appearing are authentic expressions of biblical Christianity From Back of Book **The Evangelical Faith** Helmut Thielicke, 1974 **The Christian Librarian**, 1983
