Martin, 1988 **James** R. Kent Hughes, 1991-07 Too often Christmas gets swallowed up in the busyness of shopping and sending cards and wrapping presents As we rush around we often miss the wonder of what Christmas is all about Christmas began with a gift given to the human race two thousand years ago It was a child born in a Bethlehem stable and laid in a manger His birth was announced by wise men guided from the East by a very special star It was the gift we needed most a Savior the Holy Son of God This is the good news proclaimed by the angel Fear not for behold I bring you good tidings of great joy which shall be to all people For unto you is born this day in the city of David a Savior which is Christ the Lord Luke 2 10 11 Why was God's gift of a Savior so important There are three reasons The greatness of the need The future of the human race was at stake Sin made havoc of God's creation and brought estrangement from its Creator The greatness of the gift Not only was the need great but the gift was also great This is My beloved Son God said in whom I am well pleased

Matthew 3 17 The greatness of the cost Read the inspired portraits of the suffering of Christ in Isaiah 53 Psalm 22 and Psalm 69 The cross was only part of the price He gladly paid Jesus Christ did not die for His own sins or because He was a victim of circumstances He came as God s supreme gift to you and me The Bible pointedly asks How shall we escape if we neglect so great salvation Hebrews 2 3 Have you overlooked the really important gift of Christmas Is God prompting you to look through the odds and ends of Christmas God s gift for you is waiting Don t miss it Right now wherever you are you can receive the costliest gift Jesus Christ the Savior For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life John 3 16 **James and Jude** William Frank Brosend, 2004-06-21 Sample Text *The Wisdom of James* , **Word Biblical Commentary** Gerald Lynwood Keown, Pamela J. Scalise, Thomas G. Smothers, 1995 **Healing in the Early Church** Andrew Daunton-Fear, 2009-07-01 This monograph presents the most comprehensive investigation yet made into the healing activity of the Early Church In contrast to early skeptics like B B Warfield the author is convinced there was a vigorous healing ministry in the centuries that followed the apostles though it fluctuated somewhat and changed its mode Exorcism is prominently attested throughout the period The pre Nicene Fathers recognized its great apologetic value as a dramatic demonstration of the superiority of Jesus Christ over pagan gods Interest in healing miracles per se appears to have been particularly characteristic of the less educated members of the Church and those who were chaste in their devotion to the cause of Christ Amongst these groups gifts of healing were found becoming rare it seems by the mid third century but well attested again later in monastic circles In the pre Nicene period anointing with oil in the name of Christ was clearly an avenue of healing and though mentioned comparatively rarely may have been widespread as part of the regular ministry of local clergy to the sick Baptismal healing physical as well as spiritual also took place In the post Nicene Church the shrines of the martyrs became a prominent locus of healing Devotion to this cult may have been encouraged by Church Fathers as an acceptable alternative to magical practices But evidence suggests syncretism did occur and martyr s relics could be invested with quasi magical awe Most Fathers were positive about the medical profession seeing it as an avenue of God s work and in the late fourth century one pioneered the hospital which then spread throughout the eastern Mediterranean In an appendix to his work the author sets down nine pointers from the healing activity of the Early Church and his own experience to assist those engaged in the healing ministry today *Interpreting the General Letters* Herbert W. Bateman IV, 2014-11-07 This handbook is designed as a step by step approach for analyzing and communicating eight letters of the New Testament Hebrews James the Petrine Letters the Johannine Letters and Jude Interpreting the General Letters provides important background material for the interpretation of these books by exploring the types and component parts of letter writing the importance of an amanuensis the historical background of the Greco Roman world and implications of each of these factors for interpreting the general letters This foundation is followed by a discussion of the theology of the general letters Specific consideration is given to the era of promise in Hebrew Scriptures

the era of fulfillment as underscored in the general letters and how the theology of each letter contributes to the overall canon of Scripture Finally Bateman provides nine steps that move from interpretation to communication three steps for preparing to interpret the letters three for interpreting and finally three for communicating the letters All explanations include examples in order to develop a student s or pastor s skills for accurate interpretation and convicting communication of God s Word See page 21 for full series details

A Spirituality of Perfection Patrick J. Hartin,1999 Throughout this century the Letter of James has been viewed consistently as a disjointed set of instructions Father Hartin deviates radically from this approach He shows that the call for perfection provides a unifying meaning for the letter Examining the concept of perfection against the background of the Greco Roman world the Old Testament and the Septuagint the author shows that perfection provides a key to define the spirituality of the Letter of James It offers an understanding of God and of the way one is called to be in the world Hartin adopts a fresh approach toward understanding the categories of wisdom eschatology and apocalyptic as they illuminate the letter s advice

Stephen Motyer, 1997 Is John s Gospel antisemitic In John 8 44 Jesus tells the Jews You are of your father the Devil a charge used throughout the centuries by antisemites to fuel hatred of the Jews And it is no one off statement throughout the Gospel the Jews appear as Jesus sharpest opponents ultimately seeking his execution Who then are the Jews in John s Gospel Defending John against the charge of antisemitism Motyer argues that far from demonising the Jews the Gospel seeks to present Jesus as Good News for Jews in a late first century setting
