To enhance inter-departmental communication and improve project tracking, we're introducing weekly Departmental Meetings starting from the first week of October.

The primary purpose of these meetings is to ensure that all departments are aligned with the company's strategic goals and to provide a platform for discussing any potential roadblocks or collaboration opportunities.

Department heads are responsible for submitting their updates ahead of time and ensuring they stick to the allotted time.

Any department requiring specific resources or collaboration should communicate this before the meeting to allow for adequate preparation.
