countryside of southwestern France fourteen year old Galla rides her battered bicycle twenty miles twice a month from the high school she attends on scholarship back to her family's rocky barren farm Galla's loving overwhelmed mother would prefer she stay at home where Galla can look after her neglected little sisters and defuse her father's brutal rages What does this dutiful daughter owe her family and what does she owe her own ambition In In's Cagnati's haunting and visually powerful novel Free Day winner of the 1973 Prix Roger Nimier Galla makes an extra journey one frigid winter Saturday to surprise her mother As she anticipates their reunion she mentally retraces the crooked path of her family's past and the more recent map of her school life as a poor but proud student Galla's dense interior monologue blends with the landscape around her building a powerful portrait of a girl who yearns to liberate herself from the circumstances that confine her without losing their ties to her heart
