Working Stiffs Manifesto A Memoir:

A Working Stiff's Manifesto Iain Levison, 2003-04-08 All Iain Levison really wants is a steady paycheck cable television and the possibility of a date on Saturday night But after blowing 40 000 on an English degree he can't find the first can't afford the second and can't even imagine what woman would consent to the third So he embarks on a time honored American tradition scoring a few dead end jobs until something better comes along The problem is it never does **A Working Stiff's Manifesto** is a laugh out loud memoir of one man's quest to stay afloat From the North Carolina piedmont to the Alaskan waters Levison's odyssey takes him on a cross country tour of wage labor gofer oil deliveryman mover fish cutter restaurant manager cable thief each job more mind numbing than the last **A Working Stiff's Manifesto** will resonate with anyone who has ever suffered a demeaning job worn a name badge or felt the tyranny of the time clock

Exposés and Excess Cecelia Tichi, 2013-03-01 From robber barons to titanic CEOs from the labor unrest of the 1880s to the mass layoffs of the 1990s two American Gilded Ages one in the early 1900s another in the final years of the twentieth century mirror each other in their laissez faire excess and rampant social crises Both eras have ignited the civic passions of investigative writers who have drafted diagnostic blueprints for urgently needed change The compelling narratives of the muckrakers Upton Sinclair Ida Tarbell Lincoln Steffens and Ray Stannard Baker among them became bestsellers and prizewinners a hundred years ago today Cecelia Tichi notes they have found their worthy successors in writers such as Barbara Ehrenreich Eric Schlosser and Naomi Klein In **Exposés and Excess** Tichi explores the two Gilded Ages through the lens of their muckrakers Drawing from her considerable and wide ranging work in American studies Tichi details how the writers of the first muckraking generation used fact based narratives in magazines such as McClure's to rouse the U S public to civic action in an era of unbridled industrial capitalism and fear of the immigrant dangerous classes Offering a damning cultural analysis of the new Gilded Age Tichi depicts a booming insecure fortress America of bulked up baby strollers McMansion housing and an obsession with money as lifeline in an era of deregulation yawning income gaps and idolatry of the market and its rock star CEOs No one has captured this period of corrosive boom more acutely than the group of nonfiction writers who burst on the scene in the late 1990s with their exposés of the fast food industry the world of low wage work inadequate health care corporate branding and the multibillion dollar prison industry And nowhere have these authors Ehrenreich Schlosser Klein Laurie Garrett and Joseph Hallinan revealed more about their emergence as writers and the connections between journalism and literary narrative than in the rich and insightful interviews that round out the book With passion and wit **Exposés and Excess** brings a literary genre up to date at a moment when America has gone back to the future

The Poetry of Class Patrick Eiden-Offe, 2023-09-25 In the early 19th century a new social collective emerged out of impoverished artisans urban rabble wandering rural lower classes bankrupt aristocrats and precarious intellectuals one that would soon be called the proletariat But this did not yet exist as a unified homogeneous class with affiliated political parties The motley appearance the dreams

and longings of these figures torn from all economic certainties found new forms of narration in romantic novellas reportages social statistical studies and monthly bulletins But soon enough these disorderly violent nostalgic errant and utopian figures were denigrated as reactionary and anarchic by the heads of the labour movement since they did not fit into their grand linear vision of progress In this book Patrick Eiden Offe tells their story tracing the making of the proletariat in V rmarz Germany 1815 1848 through the writings of figures like Ludwig Tieck Moses Hess Wilhelm Weitling Georg Weerth Friedrich Engels Louise Otto Peters Ernst Willkomm and Georg B chner and in so doing revealing a striking similarity to the disorderly classes of today *My Job Sucks and I Can't Take It Anymore!
