Internet Retailing and Future Perspectives Eleonora Pantano,Bang Nguyen,Charles Dennis,Sabine Gerlach,2016-12-08

Since the first edition of this landmark textbook online shopping has grown exponentially to the point that it now threatens to eclipse the high street With online retail offering both advantages and challenges that are distinct from traditional commerce

this textbook provides new approaches to retailing and as such helps readers to take advantage of new digital technologies. This long awaited new edition provides a thorough and substantial update to its solid core principle of digital retailing and its relationship with conventional retail methods. These principles are explained clearly and practically to provide students, entrepreneurs and researchers with a reliable guide to the implementation and operation of a successful online retailing business. Updates to this edition include Search engine marketing and search engine optimization. New and updated case studies including Tesco's virtual store, Ray Ban's smart mirror, IKEA's mobile catalogue and Nordstrom's TextStyle Social networks and electronic word of mouth communication. A new chapter on ubiquitous retailing. With accessibly written features such as key learning points, questions, think points and further reading. Internet Retailing and Future Perspectives is ideal for anyone using, studying or researching digital commerce.

Customer CEO Chuck Wall, Michael Port, 2016-10-21. Most companies still operate as if they control their customers. But in today's market it's really the other way around. Customer CEO confronts the new market reality that customers choose which companies to do business with completely on their own terms. This effectively inverts the power control and direction of decision making to survive in this new landscape organizations must quickly adapt. Author Chuck Wall explores the nine powers customers possess including the power of me, the power of the heart and the power of rebellion and how companies can profit by understanding the power of their customers. Based on more than a decade of firsthand experience and over 100,000 customer interviews, Customer CEO provides every size company with a roadmap of fresh ideas and easy to use tools while exploring three dozen companies that embrace the power of their customers. By reading this book every leader can transform their business into a Customer CEO company.
