Sweatshop Capital Beth Robinson, 2025-10-03 Beth Robinson examines the sweatshop labor practices that produced American consumer products from the late nineteenth through early twenty first centuries as well as the labor and social movements that contested them

**Translating Change** Ann Pattison, Stella Cragie, 2022-03-30 Translating Change explores and analyses the impact of changes in society culture and language on the translation and interpreting process and product It looks at how social attitudes behaviours and values change over time how languages respond to these changes how these changes are reflected in the processing and production of translations and how technological change and economic uncertainty in the wake of events such as the COVID 19 pandemic and Brexit affect the translation market The authors examine trends in language change in English French German Italian and Spanish The highly topical approach to social cultural and language change is predominantly synchronic and pragmatic based on tracking and analysing language changes and trends as they have developed and continue to do so This is combined with an innovative section on developing transferable translation related skills including writing and rewriting editing abstracting transcreation and summary writing in view of a perceived need to expand the skills portfolio of translators in a changing market and at the same time to maximise translation quality Each chapter features Pause for Thought activity boxes to encourage active reader participation or reflection With exercises discussion questions guided further reading throughout and a glossary of key terms this innovative textbook is key reading for both students and translators or interpreters in training and in practice

**End of an Era** Carl Minzner, 2018-02-01 China's reform era is ending Core factors that characterized it political stability ideological openness and rapid economic growth are unraveling Since the 1990s Beijing's leaders have firmly rejected any fundamental reform of their authoritarian one party political system and on the surface their efforts have been a success But as Carl Minzner shows a closer look at China's reform era reveals a different truth Over the past three decades a frozen political system has fueled both the rise of entrenched interests within the Communist Party itself and the systematic underdevelopment of institutions of governance among state and society at large Economic cleavages have widened Social unrest has worsened Ideological polarization has deepened Now to address these looming problems China's leaders are progressively cannibalizing institutional norms and practices that have formed the bedrock of the regime's stability in the reform era End of an Era explains how China arrived at this dangerous turning point and outlines the potential outcomes that could result

identify the challenges for the fulfillment process of online retailers due to the COVID 19 pandemic No other topic dominates the current public perception more than COVID 19 National federal and local authorities require their citizens to stay at home and avoid social contact during the pandemic The result is an e commerce boom with online retail orders increasing for example in the US by 146% in comparison to the previous year However customers experience that many well known benefits such as a seemingly endless selection of affordable products or shipping in two days are no longer guaranteed The reason lies in the process of order fulfillment This process encompasses all the activities a company undertakes from the moment an order is received until the items are delivered including all customer services It comprises back office activities such as packaging delivery accounting inventory management and shipping as well as front office activities such as advertising and order acceptance New Statesman ,2009-07 *Kiplinger's Personal Finance Magazine* ,2010
