Costume, Makeup, and Hair Adrienne L. McLean, 2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed Behind the Silver Screen series Costume Makeup and Hair charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book's contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup and hairstyling as distinct art forms

The Motion of Puppets Keith Donohue, 2016-10-04 From the bestselling author of *The Boy Who Drew Monsters* and *The Stolen Child* comes a modern take on the Orpheus and Eurydice Myth. A Suspenseful tale of romance and enchantment. In the Old City of Quebec Kay Harper falls in love with a puppet in the window of the Quatre Mains a toy shop that is never open. She is spending her summer working as an acrobat with the cirque while her husband Theo is translating a biography of the pioneering photographer Eadweard Muybridge. Late one night Kay fears someone is following her home. Surprised to see that the lights of the toy shop are on and the door is open she takes shelter inside. The next morning Theo wakes up to discover his wife is missing. Under police suspicion and frantic at her disappearance he obsessively searches the streets of the Old City. Meanwhile Kay has been transformed into a puppet and is now a prisoner of the back room of the Quatre Mains trapped with an odd assemblage of puppets from all over the world who can only come alive between the hours of midnight and dawn. The only way she can return to the human world is if Theo can find her and recognize her in her new form. So begins the dual odyssey of Keith Donohue's *The Motion of Puppets* of a husband determined to find his wife and of a woman trapped in a magical world where her life is not her own.
