

"January is absent much direct competition against the film," said Shawn Robbins, chief analyst at BoxOffice.com. "That's when the Avatar sequel could make up for any perceived lost ground toward reaching long-term expectations, if it's going to."

"We live in a world where the craving for instant gratification leads to early results being used as the final barometer of a film's success," he said. "Realistically, sometimes that makes sense, but sometimes it doesn't. This is one of the latter situations."
