The Dark Social Toija Cinque,Alexia Maddox,Robert W. Gehl,2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies

Irreversible Damage Abigail Shrier, 2020-06-30 NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES Irreversible Damage has caused a storm Abigail Shrier a Wall Street Journal writer does something simple yet devastating she rigorously lays out the facts Janice Turner The Times of London Until just a few years ago gender dysphoria severe discomfort in one s biological sex was vanishingly rare It was typically found in less than 01 percent of the population emerged in early childhood and afflicted males almost exclusively But today whole groups of female friends in colleges high

schools and even middle schools across the country are coming out as transgender These are girls who had never experienced any discomfort in their biological sex until they heard a coming out story from a speaker at a school assembly or discovered the internet community of trans influencers Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and gender affirming educators and therapists who push life changing interventions on young girls including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility Abigail Shrier a writer for the Wall Street Journal has dug deep into the trans epidemic talking to the girls their agonized parents and the counselors and doctors who enable gender transitions as well as to detransitioners young women who bitterly regret what they have done to themselves Coming out as transgender immediately boosts these girls social status Shrier finds but once they take the first steps of transition it is not easy to walk back She offers urgently needed advice about how parents can protect their daughters A generation of girls is at risk Abigail Shrier s essential book will help you understand what the trans craze is and how you can inoculate your child against it or how to retrieve her from this dangerous path

Social Media in Disaster Response Liza Potts,2013-10-30 Social Media in Disaster Response focuses on how emerging social web tools provide researchers and practitioners with new opportunities to address disaster communication and information design for participatory cultures Both groups however currently lack research toolkits for tracing participant networks across systems there is little understanding of how to design not just for individual social web sites but how to design across multiple systems Given the volatile political and ecological climate we are currently living in the practicality of understanding how people communicate during disasters is important both for those researching solutions and for those putting that research into practice Social Media in Disaster Response addresses this situation by presenting the results of a large scale sociotechnical usability study on crisis communication in the vernacular related to recent natural and human made crisis this is an analysis of the way social web applications are transformed by participants into a critical information infrastructure in moments of crisis This book provides researchers with methods tools and examples for researching and analyzing these communication systems while providing practitioners with design methods and information about these participatory communities to assist them in influencing the design and structure of these communication systems

Reddit Pro Science Experiments Top: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Reddit Pro Science Experiments Top : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
