**Political Agendas for Education** Joel Spring, 2017-07-14 Following the epic contentious 2016 presidential election Joel Spring's ongoing documentation and analysis of political agendas for education reflect the major political issues since 2012. Here he examines the 2016 education planks of the Republican Democratic Libertarian and Green Parties using their official platforms and other statements speeches given by each candidate and media reports and publications. Each party's position is linked to previous political movements in education. Spring offers an alternative agenda for American schools including a proposed education amendment to the U.S. Constitution and replacing human capital agendas with goals emphasizing education for a long life and happiness. Taking a fresh look at the social and political forces educational research and ideologies shaping their educational agendas and a comparative approach the book stimulates reflection and discussion. Updates and changes in the Sixth Edition Betsy DeVos's education agenda supporting vouchers free market competition and for profit schools and its relationship to the education section of the 2016 Republican platform. The important role religion and culture played in the evolution of Republican education policies after the school prayer and Bible decisions of the 1960s. The influence of human capital economics on Democratic education proposals How No Child Left Behind and Democratic President Barack Obama opened doors to the growth of the for profit education industry and investment bankers. The 2016 Democratic positions on the cost of higher education and student loan debts. The Democratic left as represented by the 2016 campaign of Democrat Bernie Sanders and his influence on the presidential candidate Hillary Clinton and the Democratic Party platform. The education proposals of the Green and Libertarian parties

## **Financial Planning Basics for Doctors**

Marshall Weintraub, Michael Merrill, Cole Kimball, 2019-01-25 Financial Planning Basics for Doctors is a comprehensive guide on building a long term financial plan for doctors and their families. Subjects covered include student loans, home buying, disability insurance, estate planning, college planning, retirement planning, investments, and behavioral finance among many others. Each chapter starts with the basics before addressing more advanced concepts frequently with examples and graphs and concludes with a concise summary of the key takeaways. Throughout the book there are links to free downloadable spreadsheets and a planning checklist to help you jump start and organize your financial plan. The content provided is a result of the feedback the authors have received over thousands of meetings with doctors condensed into a thorough overview of the most relevant ideas. Teaching hospitals do an excellent job of training our next generation of doctors yet most new physicians graduate without having had a class on managing their finances. This book was written to fill that knowledge gap. Marshall Weintraub, Michael Merrill, and Cole Kimball are financial advisors with Finity Group LLC a financial planning firm specializing in working with doctors
