Martin, Bettina Fabos, 2012-02-20 Today s media landscape is changing faster than ever and students are experiencing these developments firsthand *Media Culture* pulls back the curtain on the media and shows students what all these new trends and developments really mean giving students the deeper insight and context they need to become informed media critics The 2013 Update also includes the must cover events and trends students need to know to become informed media consumers and critics from social media s influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions and what the News Corp phone hacking scandal means for journalism to the continued growth of television streaming and apps and the advent of tablet only newspapers Read the preface **Tracking the Audience** Karen Buzzard, 2012 In *Tracking the Audience The Ratings Industry From Analog to Digital* author Karen Buzzard examines the key economic political and competitive factors that have influenced ratings methods dominant in each of the markets for radio TV and the Internet tracing the practice s history from its early

beginnings up to its most recent advances Beginning with the birth of the industry in 1929 Tracking the Audience traces the establishment of a standardized ratings currency as it evolved to meet the needs of the analog broadcast system and explores the search for new gold standards necessitated by the devastating effects of the digital revolution Buzzard examines key challenges to the established system by discussing the movement from traditional sampling methods to new more transparent measurements More than a history of the ratings industry itself it also tracks the evolving business model for the broadcast industry Tracking the Audience The Ratings Industry From Analog to Digital shows how the development of conceptual tools designed to measure and package radio TV and Internet audiences is the result of a variety of historical factors With a detailed examination of ratings providers their methods and their attempts to adjust to meet new demands a digital age this volume explains how a standardized broadcast system of audience measurement ratings has evolved and where it is going in the future

**Media and Culture** Richard Campbell, Christopher R. Martin, Bettina Fabos, 2011-02-23 It's no secret today's media landscape is evolving at a fast and furious pace and students are experiencing these developments firsthand While students are familiar with and may be using the latest products and newest formats they may not understand how the media has evolved to this point or what all these changes mean This is where Media and Culture steps in The eighth edition pulls back the curtain and shows students how the media really works giving students the deeper insight and context they need to become informed media critics
