*BurdaStyle Sewing Handbook* is the ultimate guide to sewing with style *Snap Shots* ,1927 *.NET Framework Solutions* John Paul Mueller,2006-10-11 If you ve begun programming using Microsoft s NET Framework you ve discovered a lot of new and improved functionality But more than likely you ve also discovered a lot of missing functionality Indeed a third of the functions supported by the old Win32 API are not yet supported by NET Although you may not at first notice the loss of

Win32 API functionality in .NET the more you program the more you'll realize how essential it is. As a programmer you will not want to do without these solutions .NET Framework Solutions In Search of the Lost Win32 API is one more thing you can't do without a complete guide to your options for dealing with the functionality missing from .NET. As you'll learn some functions are handily situated within Visual Basic or C. In most cases however you'll need to access the old Win32 API from the .NET Framework. This is demanding work but this book makes it easy walking you through every step and paying special attention to the work of managing memory manually the most error prone part of the process. The topics covered inside are as varied as the missing functionality direct hardware access low level security control certain aspects of OS access support for multimedia and utilities and DirectX. You also get hard to find information on COM access plus a collection of examples dealing with DirectX and the MMC Snap-ins that unite COM and Win32 access in especially illuminating ways. Over time you can expect to see the .NET Framework expanded to include much of what it now lacks. But your programming tasks can't wait and .NET Framework Solutions makes you productive today.
