Enough Melissa Arnot Reid,2025-04-01 A searching uplifting memoir by the celebrated groundbreaking climber a journey of overcoming where the mountain s highest peaks can only be reached by traversing the dark crevasses of the soul At twenty seven when Melissa Arnot Reid accepted a tank of oxygen just short of the summit of Mount Everest she felt ravaged by defeat Driven by a relentless lifelong quest to prove to herself her family and the world that she was enough she had set herself an incredible goal to become the first American woman to summit Everest without supplemental oxygen The failure battered her spirit and left her struggling to keep her tenuous grip on hope In the candid and adventurous spirit of Cheryl Strayed s *Wild* **Enough** is a story of a life in which the most dangerous mountain faces became a refuge until suddenly they too no longer seemed safe From a childhood marked by conflict betrayal and predation Reid propelled herself to the top of the mountain climbing world summiting and guiding on the world s most challenging peaks and establishing herself as a woman unafraid to throw elbows in a milieu dominated by men And yet for every summit she reached her valleys of inner turmoil over her estrangement with the family she believed she d destroyed as a child over relationships that cycled through deception and infidelity grew deeper and more self destructive Eventually she could not keep these worlds from colliding especially after a series of tragedies at dangerous elevations took the lives of her mentors and friends Forced at last to face herself Reid made her most perilous climb yet toward the uncertain promise of forgiveness and self acceptance A beautiful aching memoir of a journey with life and death stakes on the mountain and off **Enough** bares the soul of one of the world s greatest climbers from the rarified heights visible only at thin air altitudes to the dark depths home to demons familiar to anyone who has struggled to find compassion for themselves
