**The Orc King** R.A. Salvatore, 2008-10-07 The war against the orcs is far from over in this opening installment of a bold new trilogy in the Legend of Drizzt series. The end of winter is near and it seems the uneasy peace between the dwarves of Mithral Hall and the orcs of the newly established Kingdom of Many Arrows will not last long. The orc tribes united under Obould are splintering with some seeking to establish an alliance with a clan of half ogres half orcs. Drizzt too feels himself torn apart unsure which of the Companions needs him most. As Catti brie recovers from a serious injury Wulfgar mourns the death of his wife. Together the broken pair leaves Mithral Hall for Silverymoon hoping to find a trail that leads to Wulfgar's lost adopted daughter. Meanwhile Bruenor begins his own desperate search. Determined to end the war that nearly cost him his life and everything he has built he will stop at nothing until he finds the ancient dwarven city of Gauntlgrym. But to truly end the war drastic changes must be made. Powerful individuals on both sides may have to alter the way they see each other and perhaps even talk to one another for it will take more than swords and axes to bring a lasting peace to the Spine of the World. The Orc King is the first book in the Transitions series and the twentieth installment in the Legend of Drizzt series.

**Hunter and Warrior of Rhudaur** Michael Cohrs, 2020-03-05 Riam a hunter in his hillman clan has no idea what is about to happen to him. As he returns from a hunt for food he encounters trolls orcs and a rogue hillman ranger who plots against his people. With the help of the dwarf Toram whom he saves Riam avenges his betrayed clan and discovers how the manipulations of clan politics is normal for his people and decides to try a new way. With the help of Toram he uses the wealth and weapons he acquires along the way to leave the culture of the hillmen and become a dwarf trained warrior in pursuit of vengeance for his dead father and mother. He joins a quest that seeks to fulfill the ambitions of all the members of an adventuring party and along with Toram his dwarven friend he heads north into perilous danger. Trespassing into the lands of the Witch King and entering into an orcish stronghold to acquire a fabled lost treasure almost costs them their lives. Riam encounters a dragon guarding a treasure and his method of dealing with it leaves more problems than answers. The group finishes their quest in the north but are left with the problem of returning south. The return trip is as dangerous but just as profitable as they leave the north and return home.     *Representing Middle-earth* Robert T. Tally Jr., 2023-12-21 In such classic works as The Hobbit The Lord of the Rings and The Silmarillion J R R Tolkien depicts a vast complex world system. Tolkien's Middle earth comes to life with intensely detailed historical geographical and multicultural content which is presented through different poetic forms that combine elements of epic romance myth history and the modern novel. This book analyzes Tolkien's project paying attention to narrative form and its relation to social contexts while also exploring his broader philosophical conception of history and the role of individual and collective subjects within it. Tolkien's published and posthumous writings the film adaptations and recent scholarship are all examined to provide an enlarged and refined critical perspective of these major works. Drawing upon Marxist literary theory and criticism Robert T Tally Jr calls into question
