## **The Perfect Ending For The World:**

*The Perfect Ending for the World* John Reid Noe,2011-05 End of the world ranting and ravings are once again parading across our paths All humankind has and is paying a horrendous price for their ages old trail of failed predictions Nonetheless many are wondering if this time could really be it And the answer is NO In this book you will discover why and how the God of divine perfection in the creation of the physical earth and cosmos is also the same God of divine perfection in the creation and fulfillment of his plan of redemption That means the world He created is without end and the end the Bible consistently proclaims for the world came right on time it's behind us not ahead of us it's last days are past not present or future This book presents and documents the scriptural and historical evidence No gaps no delays no interruption of time frames and no strained explanations are needed All was fulfilled precisely and chronologically within human history and as prophesied centuries in advance Truly this is the perfect ending and great good news for the entire world It's also the ultimate apologetic defense for the existence of God the climax of the rest of the greatest story ever foretold and is being proclaimed by this author and other Bible scholars as the basis for the next reformation of Christianity
