The Piranha Club Timothy Collings, 2001      *The Piranha Club* Timothy Collings, 2002-09-05 Tackling some of Formula One's most influential figures Timothy Collings provides insights into Bernie Ecclestone Max Mosley Luca di Montezemolo Alain Prost Jackie Stewart Ron Dennis Frank Williams Eddie Jordan and the rest He offers an analysis of the Formula One paddock explaining how it works who runs it how it makes money and what sort of people exist there The place is tumbling with intrigue and interest The men who run it are from all sorts of backgrounds but they share the common interest of Formula One motor racing and finding a way of successfully making money      **The Piranha Club** Timothy Collings, 2004 Now fully revised and updated *The Piranha Club* is the first serious study of Formula One's most fascinating and influential figures the men who wield the real power Author Timothy Collings has written a riveting analysis of the Formula One paddock explaining how it works who runs it how it makes money and what sort of people exist there      **The Economics of Motorsports** Paulo Mourão, 2017-05-29 This book the first study of its kind examines the economics behind motorsports in particular Formula One Chapters discuss the costs involved in Formula racing and how they are borne by teams promoters and racers The book also looks at how society the public and the private sectors stand to benefit economically from the motorsport industry Other issues like the economics of TV rights sponsorship and sustainability are also addressed again for the first time in an economics book Moving beyond the economics of what happens off the track the book also undertakes a serious examination of what goes in to making a winning team and what having a winning racer can do for a team's fortunes Mourão's highly relevant and contemporary book also looks at how motorsport teams confront the challenges of the modern sporting world including the changing dynamics of sports media and considers the future of Formula 1 as motorsports evolve      *The Future of Motorsports* Hans Erik Næss, Simon Chadwick, 2023-06-12 This book takes stock of the position of motorsport in the 21st century and considers how it will continue to influence sport business politics and society in the future Presenting a set of thematic essays and multi-disciplinary case studies the book demonstrates that motorsport continues to play a significant role in relationships between the automotive industry nationalism industrialisation and capitalism as well as motorsports position as a feature of contemporary popular culture Examining issues such as event management and legacy environmental sustainability and greenwashing diversity and inclusion the rise of gaming and esports and the use of sport as political soft power around the world across multiple motorsport disciplines the book shines fascinating new light on this innovative but sometimes problematic industry This is essential reading for all advanced students researchers managers strategists sponsors and other stakeholders working at the nexus of motorsport business politics and culture      *A History of Organizational Change* Hans Erik Næss, 2020-07-13 This book is the first independent exploration of the Fédération Internationale de l'Automobile's FIA institutional history Virtually unexamined compared with similar institutions like the FIFA and the IOC the FIA has nevertheless changed from being a small association in 1904 to becoming one of the world's

most influential sport governing bodies Through chronologically organised chapters this book explains how the FIA manages to link together motorsport circuses like Formula 1 with the automotive industry and societal issues like road safety and environmental sustainability In an exciting narrative spanning seven decades it reviews the FIA's organisational turning points governing controversies political dramas and sporting tragedies Considering the FIA to be a unique type of hybrid organisation characterised by what the author calls organisational emulsion this case study contains theoretical innovations relevant to other studies of sport governing bodies It makes an empirically grounded contribution to the research fields of institutional logics historical sociology and sport governance

**Motorsport and Fascism** Paul Baxa, 2022-04-28 This book is the first English language study of motorsport and Italian Fascism arguing that a synergy existed between motor racing and Fascism that did not exist with other sports Motorsport was able to bring together the two dominant and often opposed cultural roots of Fascism the Futurism of F T Marinetti and the Decadence associated with Gabriele D Annunzio The book traces this cultural convergence through a topical study of motorsport in the 1920s and 1930s placing it in the context of the history of sport under Mussolini's regime Chapters discuss the centrality of speed and death in Fascist culture the attempt to transform Rome into a motorsport capital the architectural and ideological function of the Monza and Tripoli and autodromes and two chapters on the importance of the Mille Miglia a genuine Fascist artefact that became one of the most legendary motor races of all time

**Routledge Handbook of Sport and Social Media** Andrew C. Billings, Marie Hardin, 2025-04-23 This handbook takes an in depth look at the transformative impact of social media on sport With broader and deeper coverage than any previous book on this topic the handbook explores how sports media is co created and curated collectively at the individual group and organisational level and considers the implications for the ways in which sports media through social media infiltrates our lives and influences local and global culture Exploring key concepts and presenting original case studies the book features work by world leading international sports media scholars It discusses the theoretical lenses through which we can understand social media and sport from political economy and cultural dynamics to business and management and explains the significance of global social media platforms The book then presents a multi level exploration of sport and social media including social media use by fans athletes teams leagues and media organisations Offering important new insight into a technology that now sits at the centre of our social and economic lives this book is important reading for any researcher student practitioner or policymaker with an interest in sport media sport business sport cultures digital media technologies digital business or the broader relationships between sport media and wider society
