

The Very Itchy Bear

by Nick Bland

Bear is here...and here is Flea (but Flea's a little small to see). This is Flea about to bite, but not because he's impolite. He's biting bear to say, 'Hello!', biting high and biting low." There is just one creature bothering Bear: a persistent flea.

Bear tries to get away, but Flea just won't leave him alone. When Bear finally gets rid of Flea, he finds that he misses him – and a new friendship is born.

Itchy Bear page 1
