lifestyle ever I love it But getting there wasn't easy The stuff on the internet for instance was worthless I received lots of help but I have to admit that much of this was sheer luck The first step was understanding my submissive husband and his desire to be dominated It was by accident that I discovered my husband's visits to a Dominatrix How was I supposed to understand that If I would have had access to a book like this one I would've understood him much better But back then this book didn't exist Instead I invested lots of time to understand submissive men and went on a journey After some time we introduced FemDom I learned to Dominate I learned to command I learned to own him He's mine now And both of us love it But even today 10 years later there still is no adequate book or guide out there which teaches the two most basic things Accepting and understanding submissive men as a woman Dominant a man and living a FemDom relationship in the long run That's why I decided to write this book It's not only a collection of thoughts it's a thorough handbook guiding you on your journey towards total FemDom Here is an overview of what you will find inside Chapter 1 Why I Became A Mistress Understanding Submissive Men Chapter 2 The Benefits Of Female Domination Chapter 3 The Mistress And How To Become One Chapter 4 Finding A Submissive Male Or Creating One Chapter 5 Train A Submissive Male To Be A Slave Chapter 6 Establishing Your Authority Ways To Make Him Obey Chapter 7 Managing A Femdom Relationship Chapter 8 How To Make Him Obey With Rituals And Things Chapter 9 The Art Of Discipline Advice Technique And Implements Chapter 10 Femdom Examples Chapter 11 Frequently Asked Questions Chapter 12 Last Steps It's a 170 page book and contains years of experience What do you need more Here are the two FemDom rules 1 Mistress is always right 2 When Mistress is wrong Rule 1 applies

*FemDom Relationship Guide* Caroline Peel, 2017-09-28 So you want to have a FemDom relationship or want to know how that would even work You are a man and want to convince your wife to become your future mistress You are a woman and want to understand submissive men or train one Then this is your book You should not read this book if you're interested in any hot FemDom sex stories you won't find them there You will find a complete manual for a FemDom relationship however So much of the websites out there are focusing on the sexual elements of FemDom and almost no one talks about FemDom as a relationship model Needless to say that it seems all of the writings are from men and they really don't understand women and especially not Dominant women I have been in a FemDom relationship for almost 10 years now and yes it works it's the best lifestyle ever I love it But getting there wasn't easy The stuff on the internet for instance was worthless I received lots of help but I have to admit that much of this was sheer luck The first step was understanding my submissive husband and his desire to be dominated It was by accident that I discovered my husband's visits to a Dominatrix close by How was I supposed to understand that If I would have had access to a book like this one I would've understood him much better But back then this book didn't exist Instead I invested lots of time to understand submissive men and went on a journey After some time we introduced FemDom I learned to Dominate I learned to command I learned to own him He's mine now And both of us love it But even today 10 years later there still is no adequate book or guide out there which teaches the two most basic things

Accepting and understanding submissive men as a woman Dominant a man and living a FemDom relationship in the long run That's why I decided to write this book It's not only a collection of thoughts it's a through handbook guiding you on your journey towards total FemDom Here is an overview of what you will find inside Chapter 1 Why I Became A Mistress Understanding Submissive Men On Femdom And Relationships Femdom Is Love Chapter 2 The Benefits Of Female Domination Chapter 3 The Mistress And How To Become One Chapter 4 Finding A Submissive Male Or Creating One Chapter 5 Train A Submissive Male To Be A Slave Chapter 6 Establishing Your Authority Ways To Make Him Obey Chapter 7 Managing A Femdom Relationship Chapter 8 How To Make Him Obey With Rituals And Things Chapter 9 The Art Of Discipline Advice Technique And Implements Chapter 10 Femdom Examples Chapter 11 Frequently Asked Questions Chapter 12 Last Steps It's a 170 page book and contains years of experience What do you need more Here are the two FemDom rules 1 Mistress is always right 2 When Mistress is wrong Rule 1 applies **Dominant Female Submissive Male** Sophia James, 2019-04 Why do Women even very attractive women stay in relationships with Men who treat them badly Is it low self esteem or a desire to submit to a dominant man A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right In my case it was the latter I wanted the big handsome hunky guy who would sweep me off my feet treat me like a princess in public and his sex slave in the bedroom But as most women find out life is not a fairy tale A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack Elizabeth Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman's job is just to supply sex and child care WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE I didn't realise it until I was thirty five and until that point I put up with my men coming home drunk wasting my money getting fatter and more abusive and providing me with increasingly disappointing sex I put up with it no longer I now have a man who sees it as his principle aim in life to keep me happy contented wealthy and sexually satisfied I have known my man for most of my life but he only became my boyfriend seven years ago During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female And my boyfriend is also my slave In this book I explain how all this came about The book is more about personal transformation and female empowerment than it is about kinky usually fictional sexual fantasies The success of the book Fifty shades of grey shows the interest there is out there in an alternative discipline based life style and emphasises that many women share that interest Unlike fifty shades of grey Dominant Female Submissive Male is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye opener for frustrated women as it shows them the glorious very exotic and exciting life they could have While some submissive men are slightly pathetic and even creepy many are romantic kind hearted reliable and good fun They adore and respect women and see it as their role in life to support them What's not to like about that They will have a desire for discipline and this desire will be inextricably linked to their sexual nature For some this will be extreme and involve heavy BDSM but for most it will involve safe erotic role play and spankings The point is

that Women control when how and even if it happens Women have the power in all aspects of the relationship and how they exercise that power is up to them Believe me once you have a man on his knees begging for an orgasm you will never look back But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when with a little change of emphasis their dreams are so easily achievable This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving fulfilling and very kinky relationship It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her It also explains how to tell your wife about your desire for female domination and more importantly how not to It also offers cautionary tales and about how not to get ripped off by unscrupulous con artists The central aim of the book however is to bring together good men who have a desire for female domination with good women looking for a lover who will provide happiness support fun excitement and success Please click on the look inside feature for a preview *How to Find a Dominant Woman* Sharyn Ferns,2017-06-27
