History of Persia Milad Milani, 2014-10-14 Sufism formed one of the cultures of resistance which has existed in the social fabric of Persia since antiquity Such resistance continues to manifest itself today with many looking to Sufism as a model of cooperation between East and West between traditional and modern Sufism in the Secret History of Persia explores the place of Sufi mysticism in Iran's intellectual and spiritual consciousness through traditional and contemporary Sufi thinkers and writers Sufism in the Secret History of Persia examines the current of spirituality which extends from the old Iranian worship of Mithra to modern Islam This current always contains elements of gnosis and inner knowing but has often provided impetus for socio political resistance The study describes how these persisting pre Islamic cultural and socio religious elements have

secretly challenged Muslim orthodoxies and continue to shape the nature and orientation of contemporary Sufism

Islam in Pakistan Muhammad Qasim Zaman,2020-08-04 The first book to explore the modern history of Islam in South Asia The first modern state to be founded in the name of Islam Pakistan was the largest Muslim country in the world at the time of its establishment in 1947 Today it is the second most populous after Indonesia Islam in Pakistan is the first comprehensive book to explore Islam s evolution in this region over the past century and a half from the British colonial era to the present day Muhammad Qasim Zaman presents a rich historical account of this major Muslim nation insights into the rise and gradual decline of Islamic modernist thought in the South Asian region and an understanding of how Islam has fared in the contemporary world Much attention has been given to Pakistan s role in sustaining the Afghan struggle against the Soviet occupation in the 1980s in the growth of the Taliban in the 1990s and in the War on Terror after 9 11 But as Zaman shows the nation s significance in matters relating to Islam has much deeper roots Since the late nineteenth century South Asia has witnessed important initiatives toward rethinking core Islamic texts and traditions in the interest of their compatibility with the imperatives of modern life Traditionalist scholars and their institutions too have had a prominent presence in the region as have Islamism and Sufism Pakistan did not merely inherit these and other aspects of Islam Rather it has been and remains a site of intense contestation over Islam s public place
