Illustrated by Sari Christine Noble Govan, 1950 **Appalachian Children's Literature**, 2010-04-13 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present Titles represent the entire region as defined by the Appalachian Regional Commission including portions of 13 states stretching from southern New York to northern Mississippi The bibliography is arranged in alphabetical order by author and each title is accompanied by an annotation most of which include composite reviews and critical analyses of the work All classic genres of children's literature are represented **One-Dog Man** Ahmad Kamal, 2023-02-22 One Man Dog isn't really the story of a man and a dog There's a pup in it And several men in it aged ten or thereabouts But it is mostly an affectionate recapturing of the perilous yet infinitely delightful world of childhood done so vividly with such warmth one can only conclude that at some time or other Ahmad Kamal must have been a small boy himself Let the reader be warned however that One Man Dog is not a memoir in which the keen edges of reality have been buffed smooth by time Everything is sharply intact all the desperate adventures the disastrous fights the running skirmishes with parental authority the frightening brushes with the law the feverish forays into the world of finance and big business the ecstatic yearnings that are part of growing up all are here in a story to make you look excitedly back into the past and catch your breath at the miracle of your own survival Print ed *The Surprising Summer* Christine Noble Govan, 2022-11-08 The Story of Young Polly that began in *The Pink Maple House* continues in *The Surprising Summer* Christine Noble Govan was born in New York City When her father died she and her mother moved to Sewanee Tennessee She also lived in Nashville Franklin and Chattanooga Tennessee all of which have been incorporated into her stories She has lived on Lookout Mountain in Chattanooga since the age of ten As a child her biggest influences were

The Story of Mark Twain Joan Howard,2022-11-08 Few authors can boast of having duplicated their own lives in the lives of their characters as truly and uproariously as did Mark Twain For Mark Twain did not just imagine the exploits of Huckleberry Finn and Tom Sawyer he got into many of the very same scrapes himself when he was young Sam Clemens in Hannibal Missouri Like Tom and Huck Sam used every available dodge to stay away from school and he loved nothing better than to sit fishing on the banks of the Mississippi and watch the river boats go by Sam liked to make up different names for himself and as he heard the leadsmen on the Big Missouri yell Mark Twain he thought that would make a good name for someone some day His father died when Sam was twelve and the Clemens family was so poor he had to quit school and go to work It was while he was a printer s devil on the Missouri Courier that he suddenly discovered the fascinating world of books and from then on he read everything he could with the boundless enthusiasm that marked all his ventures And although he became an experienced river pilot and worked for a time mining silver in Nevada it was writing that he finally took up seriously if it could be said that he ever took anything seriously and it was writing that won him world wide fame and affection Signature Books are a series produced under the general editorship of Enid Lamonte Meadowcroft and published during the 1950s and 60s by Grosset Dunlap This series provides easy to read exciting and factual stories based upon the lives of historical figures Though written simply enough for young readers they make interesting reading for teens too

The Story of Andrew Jackson Enid La Monte Meadowcroft,2022-11-08 Young Andy Jackson didn t imagine as he read the news of the Declaration of Independence of the American colonies to his family and neighbors in South Carolina that some day he would be President of the new nation It would have been difficult for his family and friends to imagine it either for Andy was a wild fun loving boy who was always getting into scrapes and preferred copying the rules for how to train a fighting cock to translating Latin exercises As it was Andy did not have much time for school because the Revolutionary War kept coming closer and everyone was occupied in preparing against the British attack He was only fourteen when he and his brother Rob were captured by a British officer and even then Andy displayed the fearless and independent spirit that remained with him all his life for when the British officer roughly ordered the boy to wipe his boots

Andy refused and for his defiance received a saber cut across his face that left a permanent scar When the war was over Andy looked around for something to do to satisfy his restless nature and high spirits and finally decided to study law and then practice in the unsettled frontier of what is now the State of Tennessee This was the first step in an exciting career that led him to Washington as Senator from Tennessee to the Mississippi Territory as Old Hickory who fought so fiercely and successfully against the warring Creek Indians to New Orleans where he earned national renown as the defender of that city during the War of 1812 and finally back to Washington as the seventh President of the United States In The Story of Andrew Jackson David Hendrikson brilliantly portrays the rough and ready life of the early American frontier Exciting scenes of battle the hidden terrors of Indian fighting in southern forests and the simple games and pleasures of the frontiersman are all brilliantly depicted by Mr Hendrickson s gifted pen
