interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company's registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **Instagram** David Jones,2016-07-28 INSTAGRAM THE ULTIMATE INSTAGRAM MARKETING GUIDE FOR BUSINESS How to Build A Brand And Attract Followers On Instagram This unique book guide is created and designed to make sure you are able to position your business whether it is online or offline with Instagram to a much higher level than it is now It is an interesting book that will help you achieve and have many clients knowing more about your product thus resulting into huge sales You will learn the strategies in setting up your Instagram Account Choose the right images learning the features on Instagram tricks and strategies on posting on Instagram as well as getting followers and traffic to your website This allows you to attract as many clients as possible for your business Here is a preview of what you ll learn How Instagram Works Making use of Instagram Branding your products to achieve maximum results Turning followers into customers And much more
