The Ultimate Guide to Becoming a Fashion Makeup Artist Christabel Draffin, 2021-05-12 How to succeed in the difficult to break into and highly competitive world of fashion and editorial makeup by an international makeup artist with 20 years of experience in that field. This is a book about the business of becoming a fashion editorial makeup artist. Once you know how to apply makeup that's just the beginning but figuring out the process to building a career as a successful makeup artist in fashion especially how to earn money doing makeup is very difficult. Few people already in the industry will talk about it and even interviews with successful makeup artist aren't much help. This book breaks down the repeatable process of how you launch yourself in the fashion industry in a practical hands on way with plenty of tips and tricks by someone who has done it. After over 20 years as a fashion makeup artist working internationally and after assisting top makeup artists working at the highest level for many years Christabel Draffin has had the experience to guide you to the career that you want and to answer questions like How do I build my editorial portfolio? How will I earn money as a makeup artist? How do I get my first client? How do I know if and when I should work for free? How do I support myself whilst building my portfolio and networking? How do I network within the fashion industry especially if I don't have any industry contacts? How do I get assisting work? How do I build relationships with beauty brands? How do I use social media to leverage my career? How do I get an agent to represent me? It also covers how to manage different life circumstances such as having children living in a smaller city, moving to a new country and how to get back on track when work is quiet for a period of time. About the Author Christabel Draffin is an international fashion makeup artist and author who has over 20 years experience working in Paris, Sydney, the US and London. Her work has appeared regularly in magazines like Vogue, Harper's Bazaar, ELLE, Glamour, Marie Claire and L'Uomo Vogue amongst many others as well as working for clients like Dior, Lanvin, Illamasqua and L'Oréal. She is agency represented in London and works on a mixture of celebrity, red carpet, fashion shows and editorial and advertising shoots.

Instagram has grown to be one of the largest social media platforms. With over 700 million monthly users, it is the gateway between you and your soon-to-be customers or clients. I knew I needed to figure out Instagram. So I started doing some research. That research went from just looking at a few blog posts and Instagram accounts into a massive passion project. While I did start this as a blog post, The Ultimate Guide to Instagram, it continued to grow. The more research I did, the more I have. To date, I have over 250 hours of research into Instagram. I found that none of the blog posts, books, or reports I read had much outside of a few hacks or one specific thing. This frustrated me, so I started to piece every piece of information I could find on Instagram together. After that blog post passed 6,000 words, I decided to finish it as a book so I can have all this information in one location that is easy for people to keep on hand. So follow along in this Instagram Guide and learn the basics and more. The following are some of the topics covered within the InstaGuide:

- How to create an Instagram account
- How to use analytics
- Business Tools within Instagram
- What do I post to Instagram?
- What are hashtags and how do I use them?
- What should I post in my Instagram captions?
- What is a GeoTag?
- How often should I post on Instagram?
- Should I repost other people's posts on Instagram?
- What can I do with an Instagram video?
- What do I do after I post to Instagram?
- What is Instagram Stories?
- How do I use Instagram Live?
- How to use Instagram Direct Messages

That is not all. I have also included some of the best Instagram hacks to grow your following and increase your engagement online. This book also comes with some FREE bonus content, including Video trainings, PDFs, Photoshop Templates for Instagram, and so much more. The bonus package is web-hosted, so you will be able to have 24/7 access to it. It will also allow me to keep updates and other tools you need available for you.
