## **Romantasy S This Week:**

Fantasy from A to Z Joe Vasicek, 101-01-01 From Tolkien to today why fantasy still matters Fantasy isn't just about dragons quests and magic it's about wonder meaning and the longing for a world that feels more real than our own In Fantasy from A to Z author Joe Vasicek takes readers on a journey through twenty six essays that explore the heart of the fantasy genre what makes it timeless what gives it power and why it continues to speak to us in a world that has forgotten how to dream From archetypes and epic battles to kings magic and the coming rise of noblebright Vasicek traces fantasy's roots back to the myths and moral struggles that define us as human beings Part literary exploration part personal manifesto this book is a love letter to the stories that shaped us and a roadmap for anyone who believes that the world of wonder is still worth fighting for

**The Global ISBN Handbook** Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13 digit number on the back of a book costs 125 in the United States but is completely free in Canada and India This book The Global ISBN Handbook is your 2025 guide to the International Standard Book Number It explains everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10 digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives deep into how different countries run their systems You'll see the privatized high cost model in the United States You'll compare it to Canada's free government run system We explore the industry led models in Brazil and Germany We look at government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a true global analysis It directly compares the privatized for profit models in the US and UK against the free public good systems in Canada and South Africa You won't just learn the price you will understand the cultural policies market structures and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number can be a commercial product in one nation a tool of cultural policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market

Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under the principle of nominative fair

use *Breaking His Law* VH Nicolson, 2025-06-10 A BRAND NEW FORBIDDEN BILLIONAIRE BOSS ROMANCE FROM VH NICOLSON VH Nicolson's characters will touch your heart and her storytelling will always leave you wanting more Sadie Kincaid A fan yourself billionaire romance you'll think about long after the last page Elle Nicoll Arianna Revenge is all I'm after I've come to seek the truth To put the law firm on trial for representing the man which tore my world apart Hart Law must answer for their actions I had it all planned out I would take a job in their records department access the relevant files to expose their cover up and then blow them up in the press That was until I laid eyes on Nathan Hart Head of the firm undeniably sexy and impenetrable I know I shouldn't have but I couldn't resist just one night with the enemy But that's when it all went wrong Nathan These are my rules to break I don't do relationships or commitment But when the woman I spent an unforgettable night with shows up in my office I'm not afraid to admit I was both angry at her deception but delighted I wouldn't have to fantasize about her anymore She's brilliant at her job and knows exactly how to challenge me But this is Hart territory and I own this kingdom Yet Arianna is putting me to the absolute test and for the first time I am willingly giving up my power But this could be dangerous in so many ways *New York Court of Appeals.
