[More Sales, Less Time](#) Jill Konrath, 2016-12-06 I felt like time was taunting me. Behind again. You'll never get it all done. I worked harder and longer hours, sacrificing my limited personal time to stay ahead of the game. Still, it wasn't sufficient. My work just kept expanding, demanding more of me. I could never seem to call it a day. In my entire career, I'd never faced a sales problem of this magnitude. Sound familiar? If so, you're probably an overwhelmed seller. Your clients expect more with faster turnarounds. Your quota keeps going up. You need to leverage social media, keep up to date on your industry, figure out how to sell new products and services, and learn all the latest technologies. The demands are never ending. You could work nonstop around the clock and still not get it all done. It's a huge problem faced by experienced sales pros, busy entrepreneurs, and sales rookies. If you don't stay on top of your time, it's tough to make your numbers, let alone blow them away. Konrath, a globally recognized sales consultant and speaker, knew she needed help but found that advice aimed at typical workers didn't work for her or for others who needed to sell for a living. Salespeople need their own productivity guidelines adapted to the fast-paced, always-on sales world. So Konrath experimented relentlessly to discover the best time savers and sales hacks in order to deliver the first productivity guide specifically for
