Absolute Essentials of Business Ethics Peter Stanwick, Sarah Stanwick, 2020-11-19 This shortform textbook explores practical applications of how business ethics impacts working lives allowing readers to reflect on their own moral compass through the use of ethical dilemmas. Highlighting the extensive breadth of issues related to business ethics the authors introduce and analyze ethical and unethical behaviors of firms through numerous real life examples including Patagonia, Costco, LVMH, Bill Gates, Muhammad Yunus, Enron, WorldCom, Samsung, Purdue Pharma, Vale Mining, and the COVID 19 crisis. Regardless of career path or occupation Absolute Essentials of Business Ethics is a valuable resource to understand why people make decisions based on their own ethical values and beliefs. Useful at both undergraduate and graduate levels this unique textbook will serve students of business ethics around the world.

Business Week, 2010 Strategic Management Jeffrey H. Dyer, Paul C. Godfrey, Robert J. Jensen, David J. Bryce, 2023 Strategic Management delivers an insightful clear concise introduction to strategy management concepts and links these concepts to the skills and knowledge students need to be successful in the professional world. Written in an accessible Harvard Business Review style with lots of practical examples and strategy tools the book engages students with an easy to understand learning experience to strategic management concepts. This International Adaptation sparks ideas, fuels creative thinking and discussion while engaging students via contemporary examples, outstanding author produced cases and much more. Every chapter now includes new questions to help readers test their understanding of the subject. There are also new Mini Cases and Strategy in Practice vignettes that are contemporary and more relevant to the global scenario.

Greener Products Al Iannuzzi, 2024-08-21 Sustainability and its competitive advantage are the goals of every company and any brand that wants to stay successful in the marketplace. Customers also gravitate to brands that manage sustainability issues well. Greener Products: The Making and Marketing of Sustainable Brands written by a renowned sustainability expert continues to address the latest developments in the extremely fast moving field of sustainability. The third edition is thoroughly updated, introduces new case studies and includes a new chapter on green marketing. With over 40 case studies it explores the best practices of leading global companies and helps readers learn what it is that makes them successful. New in the Third Edition: Presents in a practical way the best practices of sustainable brands in a global economy. Addresses the most current sustainability topics like circular economy, plastics in the environment, biodiversity, climate change, green chemistry, etc. Includes current marketing information on consumer trends to purchase greener products. Incorporates the latest pressures on companies to address sustainability, retailer programs, business to business expectations, ESG raters, rankers, and stock funds. Covers best practices of companies from various industries on how to make and market greener products. Provides current tools for making products more sustainable and methods on how to market sustainable improvements. Includes lecture slides available upon request for use in the classroom. This book serves senior undergraduate and graduate students in programs focused on sustainability as well.
