Waging Peace In Our Schools:

Waging Peace in Our Schools Linda Lantieri, Janet Patti, 1998-07-01 From the largest and most successful school initiatives in social and emotional learning in the country The Resolving Conflict Creatively Program now active in more than 350 schools nationwide comes a powerful practical guide for teaching young people to empathize mediate negotiate and create peace The authors address everything from minor schoolyard conflicts to violent outbursts and offer educators and parents proven strategies for enhancing children's emotional social and conflict resolution skills **Waging Peace in Our Schools** Linda Lantieri, 1995 **Peace Education, 3d ed.** Ian M. Harris, Mary Lee Morrison, 2012-12-13 Now in its third edition Peace Education provides a comprehensive approach to educating for a just and sustainable future It begins with religious and historical trends that have molded our understanding of peace and then presents a variety of ways to practice peace education in schools and communities and explains how it can motivate students The teaching and practice of peace education provides a basis of valuable knowledge about resolving conflicts and transforming violence without the use of force Instructors considering this book for use in a course may request an examination copy here **Peace Education from the Grassroots** Ian M. Harris, 2013-09-13 This book shares stories of grassroots peace education initiatives in thirteen nations highlighting the efforts of citizens teachers and activists to counteract violence It includes a chapter on the International Red Cross's human rights curriculum in various countries showcasing diverse peace education efforts **United States Foreign Policy and the Prospects for Peace Education** Carl Mirra, 2008-03-31 In light of the United States age of terrorism and the controversial involvement in the war in Iraq U S policies toward diplomatic peace education are coming under increasing scrutiny This book evaluates the prospects for effective U S peace education in the context of post 1945 U S foreign policy The work first documents the disparity between U S pronouncements about protecting human rights and the country's systematic erosion of those rights in the international arena Second it evaluates the challenges that the war on terrorism poses for peace education and explores the importance of international treaties in upholding security A final section explores new ways of thinking and relating that are ultimately necessary for the realization of nonviolent peacekeeping efforts Designed as a resource text for U S educators the text offers concrete proposals for addressing contentious foreign policy issues in the classroom and includes an appendix of primary documents and sample questions for easy use **Education 96/97** Frederick Marshall Schultz, 1996 *Journal* South Dakota Educational Association, 1947 **Journal of the National Education Association**, 1915 **The Journal of the National Education Association** National Education Association of the United States, 1923 **Education for a Culture of Peace in a Gender Perspective** Betty Reardon, 2001 The UN Declaration and Programme of Action on a Culture of Peace was adopted by the UN General Assembly in 1999 and has as one of its eight pillars the aim of fostering an international peace culture through education This book approaches the issues of social justice and peace studies from the perspective of gender equality The book is

designed as a training resource for pre service and in service teacher training at upper secondary school level but can also be used at other educational levels as well as in non formal education Its aim is to help students develop the skills and capacities to promote the values and attitudes consistent with a culture of peace The book also contains suggested reading and internet sites for further study **Annual Meeting Program** American Educational Research Association,2000

Learning Experiences Study on Civil-society Peace Building in the Philippines: Peace education initiatives in Metro Manila ,2005 *Teaching Students to be Peacemakers* Callie Elizabeth Walker,2007 *Creating Safe Schools for All Children* Daniel Linden Duke,2002 *Creating Safe Schools for All Students* draws on the latest research law and expert judgment to offer educators a comprehensive program for designing safe schools This book addresses several theoretical perspectives through which readers can come to understand school safety It also provides a set of standards that educators can use to evaluate their schools and then develop practical and systematic plans for ensuring orderly and caring learning environments Attention is given to the distinction between preventing violence and promoting safety For educators or educational administrators **Peacebuilding for Adolescents** Linda Rennie Forcey,Ian M. Harris,1999 Relying largely on the work of peace and conflict resolution scholars from many disciplines *Peacebuilding for Adolescents* presents proactive strategies for educators and community leaders In order to deter adolescent violence educators have been responding to increasing levels of school violence by severely punishing aggressive children and politicians have been clamoring for tougher criminal justice measures to deter youth from crime The authors in this book argue instead for a more humane response by teaching young people to value peace to learn to manage their own conflicts and to live more peacefully They take a broad view that ranges over three strategic levels of analysis personal school and community They argue for the promotion of a culture of nonviolence in the schools to help create what Dr Martin Luther King Jr called the beloved community *Today's Education* National Education Association of the United States,1923 *Educating for a Culture of Peace* Riane Tennenhaus Eisler,Ron Miller,2004 *Educating for a Culture of Peace* is a tool for meaningful and lasting social change toward a genuine culture of peace **Love, Peace, and Wisdom in Education** Jing Lin,2006 *Love Peace and Wisdom in Education* challenges our schools to shift from a rationalistic functionalist perspective emphasizing tests and efficiency to a constructive transformative paradigm in which the Integrated development of students intellectual moral emotional spiritual and ecological abilities to promote understanding of the world helps nurture respect for human beings and nature BOOK JACKET *The P.T.A. Magazine* ,1966 **SDEA Journal** South Dakota Educational Association,1947
