The ACT of Change Management Steve Mathew, 2011-09-12 Transforming an organization's culture involves influencing change one person at a time starting with the change leader. The majority of literature on the subject prescribes the development of teams and implementation of multi-stepped processes. However, the biggest predictor of success is not just the process or the team but rather the character of the leader themselves. The ACT of Change Management is a principled approach to leadership development that is both practical and realistic for today's workplace.
