## **The Revival Study Bible:**

*The Revival Study Bible* William (Winkie) Pratney, Tamara S. Winslow, Steve Hill, 2010-08-12 The Revival Study Bible takes a close look at revivals that draw men to God's work in breathing new life into the Church. This unique Bible covers rich Christian history spanning over 2 000 years of God's acts that center around revival missions and evangelism. It also gives inspiring accounts of supernatural miraculous and prevailing acts of the Lord. Emphasizing passion and action and not just data, this dynamic Bible gives an international flavor drawn from active tested and fruitful ministries involved in ongoing awakening.

*The Revival Study Bible* Stephen Hill, 2010      **Enduring Church Growth** Philip Huan, 2011      *The Heart of Revival Manual* Nicky Gumbel, 2001-01 Manual designed to accompany the ten week Heart of Revival Bible study based on Isaiah 40-46. Nicky Gumbel answers key questions about current movements of God and looks at how God uses ordinary men and women for extraordinary acts. A suggested follow up study to an Alpha course.

**It's Time for Revival** Gwen Ruth Shaw, 1988      *Your Study Bible* John Weaver Weddell, 1919      **Mission in Context: In Search of Asian Strategic Communication of the Gospel** Thang Deih Lian Davidlianno, 2018-05-09 There is a profusion of missional issues emerging in the Asian fields that call Christ's followers to actively witnessing the Truth. Missionaries from different continents have come to serve the Asian nations and yet these God's loving missionaries effectiveness often seem to have left in the shade by some damaging fruits and sometimes being too much of Westernness stemming from a diversity of lacking knowledge particularly the local contexts to contextualize and lack of preparation. The irrefutable finding is appealing within the Asian mission study in regard to the essentiality in equipping the Christians so that the ministries in Asia will experience the effectiveness in cultivating the diverse contexts cultures with the text Scripture they have. Many principles and practical information from this book grew out of the authors experiences and the reflection of Missiologists and scholars such as Andrew Walls, Christopher Wright, Kazoh Kitamori, Paul Hiebert etc.
