Regional and Country Studies Branch,1985 **Role of Small Scale Industries in the Economic Development of Less Developed Countries** ,1982 The Role of Small Scale Industries in Empowering Women Uma Rangaiah,Prakruthi S. P.,2012-08-01 Small scale industries play a key role in the industrialization of developing countries This is because they provide immediate large scale employment and has a comparatively higher labour capital ratio they need a shorter gestation period and relatively smaller markets They need lower investments offer a method of ensuring a more and equitable distribution of national income and facilitates an effective mobilization of resources of capital and skill The small scale sector in India has played a very important role in the socio economic development of the country during the past 50 years In has significantly contributed to the overall growth in terms of the GDP employment generation and exports The performance of the small scale sector therefore has a direct impact on the growth of the overall economy This study is restricted to the role of small scale sector in Indian economy India is a poor country mainly depending on agriculture The role of small scale sector in its economic development is highlighted This study deals with the role of SSI in empowering weaker sections SSI has been considered as one area where women workers are in good number Small Scale Enterprises Industrial Development K B Suri,1988-03-09 This wide ranging enquiry into small scale industries in India is the outcome of the International Conference on Small Scale Industry Development sponsored by the Institute of Economic Growth Delhi and the World Bank The aspects investigated are the relative efficiency of the small scale sector the widely held beliefs about its employment generating and capital saving characteristics the rationale and impact of Government policies that support small enterprises and the capacity of the small sector to play its assigned role in Indian industrial development The Role of Small-scale Manufacturing in Economic Development Stanford Research Institute,1957 **Catalogue of Research Literature for Development: Food production and nutrition** United States. Agency for International Development. Bureau for Technical Assistance,1976 **The Developing Countries** S.A. Kuz'min,2018-12-13 This title was first published in 1965 In this book the analysis of production indicators and various aspects of the economic effectiveness of factory and small scale industry is made chiefly on the basis of statistical materials of India Burma and Pakistan because these materials are the most complete and comprehensive Unfortunately statistics on other countries do not permit us to arrive at any kind of coherent idea as to the basic indicators of the activity of small scale industry and are therefore used only as supplementary

illustrative material for the basic conclusions The author hopes that subsequent research on this important and urgent problem will extend our understanding of it and will introduce into scientific circulation a broader range of statistical materials including those on other developing countries
