The Purple Martin Robin W. Doughty, Rob Fergus, 2002 One of the surest harbingers of spring is the return of Purple Martins to the houses that people put up across the United States to attract these companionable birds The bustle of courting rearing nestlings and fledging young martins fills the summer

months until approaching autumn lures the martins to their winter range in South America Then human landlords refurbish their martin houses and wait for another round of this much anticipated yearly cycle Robin Doughty and Rob Fergus here present a concise natural history of the bird and its centuries long companionship with people They discuss the martin s scientific classification and names its migration and range and its family life They relate stories of how Native Americans and European colonists attracted Purple Martins and how Americans throughout the nineteenth and twentieth centuries helped martins survive the loss of natural nesting sites by providing houses for them The Birds World Nicolae Sfetcu,2021-10-25 Birds are among the most extensively studied of all animal groups Hundreds of academic journals and thousands of scientists are devoted to bird research while amateur enthusiasts called birdwatchers or more commonly birders probably number in the millions Birds are categorised as a biological class Aves The earliest known species of this class is *Archaeopteryx lithographica* from the Late Jurassic period According to the most recent consensus Aves and a sister group the order Crocodylia together form a group of unnamed rank the Archosauria Phylogenetically Aves is usually defined as all descendants of the most recent common ancestor of modern birds or of a specific modern bird species like *Passer domesticus* and *Archaeopteryx* Modern phylogenies place birds in the dinosaur clade Theropoda Modern birds are divided into two superorders the Paleognathae mostly flightless birds like ostriches and the wildly diverse Neognathae containing all other birds **Fifty Years of Good Reading** University of Texas Press,2000 50 year since founding the University of Texas they have witnessed major evolutions in the world of publishing **Bird Watcher's Digest** ,1998 **W Inging it** ,1998
