Covenant of Blood H.R. van Adel, 2020-01-31 On Thayria the brutal Sarasinian League dominates Yet beneath its arrogant facade decades of corruption neglect and incompetence have left it weakened and vulnerable Even as its subject peoples yearn for freedom the League preoccupied with violent expansion shows astonishing complacency in the face of impending revolt Against a backdrop of relentless bloody battles a provincial governor chooses a path that could change the course of history A group of military cadets faces an increasingly dire future And a jaded research assistant sets out to recover an object of immense power and dreadful consequence In the centre of this gathering storm stands an improbably long lived and immensely powerful figure whose hatred of the League knows no bounds A tale of diverse peoples and places Covenant of Blood is set in a world where innocence is dead mercy is non-existent and authority is wielded with an iron fist

The Democratic Party Douglas B. Harris, Lonce H. Bailey, 2014-10-07 Through an examination of key historical documents this book chronicles the Democratic Party's complete transformation from the small government Jeffersonian party to a party of activist government and social progressivism during the presidencies of Franklin D Roosevelt Lyndon Johnson Bill Clinton and Barack Obama What are the objectives of today's Democratic Party and what historic events have guided its evolution from a decidedly different ideological starting point more than 200 years ago The Democratic Party Documents Decoded supplies a thorough historical examination of the Democratic Party from its distant origins in George Washington's administration to the two term administration of Barack Obama Told through key documents and speeches this history comes alive in the words and thoughts of those who built, sustained, and transformed the Democratic Party No other book uses documents in this way to tell a comprehensive history of this party The book utilizes primary documents to investigate a breadth of topics such as the Democratic party's positions on civil rights, discrimination, voting rights, taxation, representation, immigration, primary elections, caucuses, the Republican opposition, relations between church and state, the role of government, and foreign policy The scholarly commentary provides essential context that bridges the gaps between documents and insightful explanations and clarifications of specific passages or terms to ensure reader comprehension A work unlike any other on the history of the Democratic Party this book will serve advanced high school students in government and history classes as well as undergraduate students taking courses in political science and history

take their lives on the next part of their journey     *The Columbia Documentary History of Race and Ethnicity in America*  
Ronald H. Bayor, 2004-07-14 All historians would agree that America is a nation of nations. But what does that mean in terms of the issues that have moved and shaped us as a people? Contemporary concerns such as bilingualism, incorporation, assimilation, dual identity, ethnic politics, quotas and affirmative action, residential segregation and the volume of immigration resonate with a past that has confronted variations of these modern issues. *The Columbia Documentary History of Race and Ethnicity in America* written and compiled by a highly respected team of American historians under the editorship of Ronald Bayor illuminates the myriad ways in which immigration, racial and ethnic histories have shaped the contours of contemporary American society. This invaluable resource documents all eras of the American past, including black, white, interactions and the broad spectrum of American attitudes and reactions concerning Native Americans, Irish Catholics, Mexican Americans, Jewish Americans and other groups. Each of the eight chronological chapters contains a survey essay, an annotated bibliography and 20 to 30 related public and private primary source documents, including manifestos, speeches, court cases, letters, memoirs and much more. From the 1655 petition of Jewish merchants regarding the admission of Jews to the New Netherlands colony to an interview with a Chinese American worker regarding a 1938 strike in San Francisco, documents are drawn from a variety of sources and allow students and others direct access to our past. Selections include Powhatan to John Smith, 1609; Thomas Jefferson Notes on the State of Virginia; Petition of the Trustees of Congregation Shearith Israel, 1811; Bessie Conway or The Irish Girl in America; German Society in Chicago Annual Report, 1857-1858; Mark Twain's Salutation to the Century; W. E. B. DuBois Of Our Spiritual Strivings; NAACP on Black Schoolteachers Fight for Equal Pay; Malcolm X speech, 1964; Hewy Newton interview and Black Panther Party platform Preamble; La Raza Unida Party Lee Iacocca speech to Ethnic Heritage Council of the Pacific Northwest, 1984; Native American Graves and Repatriation Act, 1990; L. A. riot from the Los Angeles Times, May 3, 15, 1992; Nov. 16, 19, 1992; Asian American Political Alliance; President Clinton's Commission on Race; Town Meeting, 1997; Louis Farrakhan The Vision for the Million Man March.
