## **The View From The Imperium:**

*View from the Imperium* Jody Lynn Nye, 2011-04-05 P G Wodehouse meets space opera as Ensign Thomas Innes Loche Kinago fresh from the Academy is given his first command A crumb from the upper crust he is eager to uphold the traditions of his family and in particular his mother a distinguished Admiral of the Imperium Of course he is aware of the importance of always having simply smashing tailored uniforms on hand and having his camera ready to record memorable moments for his scrapbook In the meantime a charismatic leader has arisen who seems able to control the minds of anyone he meets and may be on his way to taking over the entire galaxy Can Kinago's aristocratic bearing and unbridled snobbery stand up to such a challenge Fortunately his constant companion the unflappable Jeeves or Parsons is on hand to look after the young impulsive master and somehow help his charge bumble his way through perhaps even saving the galaxy in the process At the publisher's request this title is sold without DRM Digital Rights Management

## **The Challenge to the Auspices** C. F.

Konrad, 2022-07-28 No public action of the Roman state the *populus Romanus* at home or at war was to be carried out without prior permission from *Iuppiter Optimus Maximus* Permission was obtained in a procedure known as *auspices* by the magistrate in charge of the intended action usually a *Consul Praetor* or *Dictator* *Auspices* thus occupy a fundamental place in the unwritten constitution of the Roman State Yet especially in the 3rd century BCE acceptance of the principle was not always universal *The Challenge to the Auspices* presents an investigation into the interaction of Roman magistrates during the Middle Republic with the practice of *auspices* with a focus on attempts to avoid ignore or resist this requirement Proceeding from an examination of the Roman concepts of *imperium* and *auspices* *auspicia* especially as they relate to the realm of war and of the constitutional position and powers of the *Dictator* and the *Master of Horse* *magister equitum* relative to each other and to the *Consuls* and lower magistrates the work offers six case studies in which Roman commanders questioned violated or openly rejected the need for *auspices* It is argued that these instances reflect a not insignificant minority view within the Roman ruling class regarding the efficacy of *auspices* and the necessity of observing them The catastrophic outcome in several of these events particularly during the early years of the Second Punic War rendered further resistance to the practice politically unsustainable and by the second century resulted in its universal acceptance regardless of personal belief

*A History of the Roman World* E. T. Salmon, 2013-08-21 Including an account of political and military developments and including sections on social economic and cultural life this book presents a survey of the Roman world at a time when the Principate was established and the *Pax Romana* consolidated

*The magister equitum in the Roman Republic* Bradley Jordan, 2024-01-29 The *magister equitum* a subordinate to the Roman dictator during the Roman Republic has been little studied to date in part due to the scattered and antiquarian nature of the evidence This book addresses this gap by providing a definitive description and analysis of the office focusing on three core questions first and most importantly what were the powers and role of the office second what senatorial rank did the

magister equitum have finally how did the magister equitum evolve under the first century BCE dictators Sulla and Caesar The book engages with recent advances in understanding the constitutional foundations and development of the Republican state to re assess the role played by the office and its occupants in crucial moments of Roman history It argues that the magister equitum was and was understood by Romans to be a central and significant part of the Roman Republican constitution    The Journal of Philology ,1893    A History of Rome for Middle and Upper Forms of Schools Sir John Linton Myres,1902    **From the Gracchi to Nero** ,    The Praetorship in the Roman Republic T.
