The Simple and Natural Way to Vibrant Health George X. Yu,2009-10-16 The Simple and Natural Way to Vibrant Health is the product of over a decade of investigation and research that has drastically transformed the author s life Chronic conditions such as high blood pressure allergies obesity and diabetes have skyrocketed worldwide in recent decades In fact most people have at least one health problem big or small Surprisingly the root causes of chronic diseases are rarely explored and often regarded as unknown Without understanding the causes disease prevention is difficult if not impossible Indeed the majority of people are not aware of the fact that they are the authors of their own health and they have full control over their well being By revealing the fundamental causes of chronic diseases this book presents a simple and natural way to get well and stay fit These timeless secrets are not based on the latest hype such as red wine or dark chocolate and they will not go out of fashion like fad diets Furthermore the book goes beyond food and drink and covers every aspect of one s lifestyle important to one s health including air sun physical activities emotional well being personal care products cell phone use detoxification and much more Unlike the complex and sometimes contradictory information in the public domain the natural eating and living principles in this book are remarkably simple and clear They have been tested by time substantiated by science and demonstrated by personal healing experiences The Simple and Natural Way to Vibrant Health lets you take control of something that is rightly yours your health

Steeltown U.S.A Sherry Lee Linkon,John Russo,2002 Once the symbol of a

robust steel industry and blue collar economy Youngstown Ohio and its famous Jeannette Blast Furnace have become key icons in the tragic tale of American deindustrialization Sherry Lee Linkon and John Russo examine the inevitable tension between those discordant visions which continue to exert great power over Steeltown s citizens as they struggle to redefine their lives When the Jenny was shut down in 1978 50 000 Youngstown workers lost their jobs cutting the heart out of the local economy Even as the community organized a nationally recognized effort to save the mills the city was rocked by economic devastation runaway crime and mob scandal problems that persist twenty five years later In the midst of these struggles the Jenny remained standing as a proud symbol of the community s glory days still a dominant force in the construction of both individual and collective identities in Youngstown Focusing on stories and images that both reflect and perpetuate how Youngstown understands itself as a community Sherry Lee Linkon and John Russo have forged a historical and cultural study of the relationship between community memory work and conflict A Sound Mind Sharon

Platt-McDonald,2012 *The Plant Paradox* Steven R. Gundry, MD,2017-04-25 From renowned cardiac surgeon Steven R Gundry MD the New York Times bestselling *The Plant Paradox* is a revolutionary look at the hidden compounds in healthy foods like fruit vegetables and whole grains that are causing us to gain weight and develop chronic disease Most of us have heard of gluten a protein found in wheat that causes widespread inflammation in the body Americans spend billions of dollars on gluten free diets in an effort to protect their health But what if we ve been missing the root of the problem In *The Plant Paradox* renowned cardiologist Dr Steven Gundry reveals that gluten is just one variety of a common and highly toxic plant based protein called lectin Lectins are found not only in grains like wheat but also in the gluten free foods most of us commonly regard as healthy including many fruits vegetables nuts beans and conventional dairy products These proteins which are found in the seeds grains skins rinds and leaves of plants are designed by nature to protect them from predators including humans Once ingested they incite a kind of chemical warfare in our bodies causing inflammatory reactions that can lead to weight gain and serious health conditions At his waitlist only clinics in California Dr Gundry has successfully treated tens of thousands of patients suffering from autoimmune disorders diabetes leaky gut syndrome heart disease and neurodegenerative diseases with a protocol that detoxes the cells repairs the gut and nourishes the body Now in *The Plant Paradox* he shares this clinically proven program with readers around the world The simple and daunting fact is lectins are everywhere Thankfully Dr Gundry offers simple hacks we easily can employ to avoid them including Peel your veggies Most of the lectins are contained in the skin and seeds of plants simply peeling and de seeding vegetables like tomatoes and peppers reduces their lectin content Shop for fruit in season Fruit contain fewer lectins when ripe so eating apples berries and other lectin containing fruits at the peak of ripeness helps minimize your lectin consumption Swap your brown rice for white Whole grains and seeds with hard outer coatings are designed by nature to cause digestive distress and are full of lectins With a full list of lectin containing foods and simple substitutes for each a step by step detox and eating plan and
