Write-And-Learn Sight Word Practice Pages Scholdeners,2019-09-27 The Most Effective Way to Master the 200 Sight Words Essential to your Child s Reading Writing Success From the trusted name in children s education worldwide comes the biggest and most comprehensive sight word learning and practice workbook Once your child has mastered these key words they will Read far more fluently Write with greater ease Spell with increased accuracy Boost reading comprehension Accelerate language learning Why Your Child MUST Master Sight Words Sight words are a set of words that constantly appear on almost any page of writing such as who does come we They are the building blocks of written language However many sight words cannot be sounded out because they do not follow the standard rules of spelling The child has to memorize sight words as a whole by sight so that they recognize them immediately without having to decode the spelling The problem is that minimal instruction is given by teachers and parents Often little more is done than showing the word to the child and telling them what it is However for many children this is not nearly enough As a result their reading and comprehension of these crucial words is lacking which significantly brings down their overall reading ability Scholdener s Sight Word Workbook is the solution A Multi Dimensional Approach Educational research has shown that the best technique for learning sight words is accurate writing and spelling of the word comprehension of its use in a simple sentence and a visual representation of the phrase to reinforce how the word is used in context Scholdener s Sight Word Workbook is the only workbook that uses this multi dimensional model for each and every one of its 200 words This ensures that the child really grasps the sight word along with its spelling meaning and usage In teaching terms giving your child the opportunity to learn words in proper context is known as meaningful reading This is an extremely effective tool that has been shown to be far superior for retention than plain memorization or rote learning Includes Dolche Word List Educator Dr Edward William Dolch

developed the Dolch Sight Words List by studying the most frequently occurring words in children's books. These words comprise a staggering 80% of the words you would find in a standard children's book. Once a child knows this list of words, it makes reading much easier. You'll be pleased to know that this workbook incorporates the key Dolch words. Book Details 8.5 x 11 Large size provides plenty of room for writing inside 200 sight words TWICE as many as other workbooks. More than 100 pages of writing exercises. Students who automatically recognize sight words can devote more attention to comprehension. *Complete Sight Word List Learning Flash Cards: This High Frequency Words Package Includes Complete Dolch Word Lists (220 Service Words + 95 Nouns)* Wit Childrenmix Summer B., 2019-02-28. This complete list contains 220 service words plus 95 high frequency nouns. These words comprise 80% of the words you would find in a typical children's book and 50% of the words found in writing for adults. These sight words flashcards aim for children to use them in context when they're reading. Since all of them are the words used most often in reading and writing. Most children will be able to master a few sight words in Pre-K four years old. You can teach sight words with this effective flashcards. It can be used as sight words games for children who are encouraged to memorize as a whole by sight so that they can automatically recognize these words in print within three seconds without having to use any strategies to decode. Let's have your child spell the word out loud with the sight card then repeat it. This will allow them to memorize how it is constructed.
