EXAMPLES YOU CAN STEAL

“

"I vow to be your rock, your safe haven, and your home, no matter where life takes us. I promise to always be your biggest fan, to celebrate your accomplishments, and to comfort you in your defeats. I will always be your partner in creating the life we want together, to explore new places and new experiences with you. I promise to love you unconditionally, and cherish you for all of eternity."

"I promise to be your best friend, your confidante, and your soulmate, to always listen to you and understand you, and to love you unconditionally. I give you my heart and my life."

"I promise to love you more than pizza, even on the days when we burn dinner. I vow to be your partner in creating a life together, to always support your dreams and aspirations, and to be the peanut butter to your jelly. I give you my heart, my soul, and my bad dad jokes."

"I promise to love and cherish you, to respect your individuality, and to always communicate openly and honestly. I pledge to be your best friend, your confidant, and your constant source of comfort and support. Together, we will build a life that is rooted in mutual respect, deep love, and unwavering commitment."

The Vow Script:

The Book Michael F. Suarez, H. R. Woudhuysen, 2013-10 This volume seeks to delineate the history of the production dissemination and reception of texts from the earliest pictograms of the mid 4th millennium to recent developments in electronic books Page xi

The Idea of Writing Alex de Voogt, Joachim Friedrich Quack, 2011-12-09 The Idea of Writing is an exploration of the versatility of writing systems This volume the second in a series is specifically concerned with the problems and possibilities of adapting a writing system to another language Writing is studied as it is used across linguistic and cultural borders from ancient Egyptian Cuneiform and Korean writing to Japanese Kharosthi and Near Eastern scripts This collection of articles aims to highlight the complexity of writing systems rather than to provide a first introduction The different academic traditions in which these writing systems have been studied use linguistic socio historical and philological approaches that give complementary insights of the complex phenomena

The Vow of Poverty Sidney Joseph Turner, 1929

The World's Writing Systems Peter T. Daniels, William Bright, 1996 Ranging from cuneiform to shorthand from archaic Greek to modern Chinese from Old Persian to modern Cherokee this is the only available work in English to cover all of the world's writing systems from ancient times to the present Describing scores of scripts in use now or in the past around the world this unusually comprehensive reference offers a detailed exploration of the history and typology of writing systems More than eighty articles by scholars from over a dozen countries explain and document how a vast array of writing systems work how alphabets ideograms pictographs and hieroglyphics convey meaning in graphic form The work is organized in thirteen parts each dealing with a particular group of writing systems defined historically geographically or conceptually Arranged according to the chronological development of writing systems and their historical relationships within geographical areas the scripts are divided into the following sections the ancient Near East East Asia Europe South Asia Southeast Asia and the Middle East Additional parts address the ongoing process of decipherment of ancient writing systems the adaptation of traditional scripts to new languages new scripts invented in modern times and graphic symbols for numerical music and movement notation Each part begins with an introductory article providing the social and cultural context in which the group of writing systems was developed Articles on individual scripts detail the historical origin of the writing system its structure with tables showing the forms of the written symbols and its relationship to the phonology of the corresponding spoken language Each writing system is illustrated by a passage of text and accompanied by a romanized version a phonetic transcription and a modern English translation A bibliography suggesting further reading concludes each entry Matched by no other work in English *The World's Writing Systems* is the only comprehensive resource covering every major writing system Unparalleled in its scope and unique in its coverage of the way scripts relate to the languages they represent this is a resource that anyone with an interest in language will want to own and one that should be a part of every library's reference collection
